A decorative gold scrollwork border frames the text on the right side of the page. The border is composed of intricate, symmetrical scroll patterns that curve inward from the top and bottom edges, meeting at the center. The scrollwork is finely detailed with small loops and flourishes.

THE CHRISTIAN DISPENSATION

Greetings! Friends of My Heart and Friends of Old! Many of you were with Me when it was My great privilege to walk upon the surface of this Earth, setting the Example for The Christian Dispensation.

Just what is a Dispensation? It is that which is bestowed on or appointed to one from a Higher Power, specifically the Divine Administration of the affairs of the Earth, the particular Sphere in question.

You have learned through years of study that there are Seven Rays which have been set into motion for the Earth Planet, each Ray active for a Two Thousand year period, during which Its special Radiation is dispensed to the Earth, Who has now passed into the Seventh Cycle of the Age of Freedom, superseding the Christian Dispensation, which in turn superseded the Mosaic.

As has been previously pointed out to you, in the scheme of evolution it is of prime importance that chelas aware of the changes taking place, according to Divine Edict, accept and put into practice the instructions which are graciously placed at their disposal. But it is of equal import that they do not tenaciously hold in their consciousness the radiation to which they have been accustomed through many years of embodiment upon this Sphere.

You, dear chelas, would not be searching far and stretching your Spiritual Wings, if you were not sufficiently illumined to accept the Truth which is being presented to you. Why

then do you cradle round, holding close to your bosoms, the ways of The Christian Dispensation? I asked specifically for the privilege of talking with you today in the hope that I, Whose very Heartbeat carried the Radiation of the Christian Dispensation, could loosen the concepts that the Christian Dispensation is the Ultimate! I say to you - LET GO, LET GO, LET GO and follow the Path of Spiritual Freedom upon which you have set your blessed feet! If I, Who was the Exemplar of the Christian Dispensation have been able to qualify for the Office of World Teacher in the New Age of Freedom, The Seventh Cycle, why do you still tarry along in the well-worn, and perhaps easier Path.

Now consider the capacity of the Beloved Saint Germain during the Christian Dispensation, and My Beloved Mother, Mary! Most assuredly They played an important part in that Era, without Whose assistance My Mission could not have been completed. The Seventh Cycle, as you know, is under the Direction of our Great and Gracious King, the Ascended Master Saint Germain. If He, Whose vehicles were steeped in the Essence of the Christian Dispensation, can dispense the Radiation of the Seventh Ray, why cannot YOU who were minor factors during that time, let go?

Even the Orthodox Church, whose Leaders are convening at Their Seat of Spiritual Government, are contemplating removing some of the Power they once attributed to Mother Mary. Why is this? Because some of the Leaders are illumined to the point where they know that Mother Mary's Mission, so far as Their Church is concerned, is receding, but what most of them do not know is, that Beloved Mary is now serving in a greatly accelerated capacity in the New Age, in cooperation specifically with the Angelic Kingdom and

the New Age Children! Beloved Mary let go of Her ties to the Christian Dispensation --- why don't you?

The reason for this, in the main, is that there is too much lethargy in one or more of your lower vehicles. You are too comfortable in the radiation which you love, to which you have been accustomed, and fear in some of your vehicles binds you and retards your progress! Do you have sufficient Faith in and Love for our Beloved Saint Germain, to loosen those bonds and march along with Him up the Mount of Attainment thru the Spiritual Tenets which are now being presented to you?

Children of the Father, "I AM" not here using God's glorious Energy just to give you a temporary feeling of what you should do! I most emphatically say to you, the time has long since passed when you can 'expound' the Teachings of the Christian Dispensation and experience the comfortable feeling which they give you, to serve, as you have pledged at Inner Levels, in the Cause of Spiritual Freedom; you must be willing to throw off the cloak of Christianity. Worry not, the Great Golden Band of the Christian Dispensation is blazing in your Causal Body, no one can take that away from you, but looking upon your auras, the glorious Seventh Band, or Violet Ray, requires considerably more energizing to indicate that you have wholeheartedly accepted the new Cycle. You see, you cannot hide from the sight of the Spiritual Hierarchy that which you think, say, feel or do. The radiation and records, good or otherwise, are in plain view. If We did not love all of you with such intensity, We would not use the Breath of the Holy Spirit to point out to you the means for your Spiritual Advancement and through you, the multitudes of this

Earth! I trust that none will rue the day when they thought the effort was too great to make the change in their thinking and feeling!

I call now in all the intensity of My Being and say: Beloved Lord Michael, Lady Astrea, Lord Zadkiel and Holy Amethyst CUT THESE CHILDREN FREE, CUT THEM FREE, CUT THEM FREE from all that binds them to the Sixth Dispensation - which is now passed - Its Mission Accomplished and the Book closed! COME INTO ACTION NOW and ceaselessly perform this Service until every last thread is loosened and they stand forth in the new-born Freedom of The Christ! I have called, and SO IT SHALL BE!

WHAT TO DO TO DWELL IN THE REALM
OF THE ASCENDED MASTERS

My beloved, on this the Anniversary of My Resurrection from the tomb, I bring to you the love of My Heart, for each and everyone of you who have lived and loved in My Name, and done good works in My Name, and who have chosen thru the Mercy of God which is alive within you to serve your fellowman and all living things upon this sweet Earth! Thus you glorify Our Father which is in Heaven that Heaven Which is so beautiful that when you achieve the God-estate, you shall be grateful indeed that your Causal Bodies are filled enough with the good that you have done through the ages preceding your Association with Me and other Divine Beings, of course, and succeeding such Divine Associations! You shall

have that Mansion not made with hands and you shall enter into The Father's Kingdom, to go out no more.

Some blessed and dear ones feel they are not worthy to enter into that Kingdom and kneel at the Throne of The Father of Love. Others feel that Earth ties are too strong with them; some have a sense of curiosity at what shall come after their Earth-course is run. Love will not allow you to interfere with My Mother's selection.

The Spirits who present themselves at the Sacred Heart Temple of My Mother next May shall be Those God Spirits from other Solar Systems; Those Divine Buddhas; Those chosen from the First sub-race of the Seventh Root Race. Then shall you see the planet Earth transformed quickly. Then will a child prodigy not be the unusual but the usual. Then will the parents receive illumination from the child. Then this Earth shall be Freedom's Holy Star! Then each and everyone of you shall have the just reward of all your services, your rest if you choose it for six months, visitation with your loved ones, if you choose it. Most of you shall be so busy exploring the beauty of the green gardens and the glorious flame flowers of the Kingdom of Heaven that you might take twenty-four hours of rest but, methinks, you will then be off again as I was about Our Father's Business.

What is the Business of The Heavenly Father? The Business of the Heavenly Father is practical! It is the establishment of a Christ man, a Christ woman and a Christ child thru every human being belonging to this planet Earth -- some three and a half billion who are in embodiment and the rest waiting for an opportunity of taking embodiment. That is why I came to the Earth; that is why in

My humble way I endeavored to show mankind that the things that I had done, they, too, should do also!

Even My blessed disciples learned to lean on form and by leaning upon My Personage My Own Ascension, forty days after Ascension morning, was essential, so that they might learn, thru themselves and thru the Beloved Paraclete (Whom you know as the Holy Spirit) that those so-called miracles are part of The Father's Heritage anchored in each one of them and in each of you.

So often Peter and James and the others would go bravely forth to heal and come back and say "Master, it did not work." Again and again I said unto them "Go again and in the Name of Jesus command the evil to cease to be"! But those greater than I saw that while they had in Me, something physically tangible to hold unto, they would hold the Hem of My Garment and their own potential Divinity would lie buried within them whilst they held admiration for the Son of Man and the Son of God.

You are all Sons and Daughters of God; sons of men and women too, yes, true but you have been sons and daughters of different men and women in embodiment after embodiment throughout ages of time. All the time since first you left the Heart of Our Father you have been a temporary Son or Daughter of God, even though you have forgotten it.

When Pilate said to Me, "They say that you are reported to be the Son of God", I replied to him "thou sayest this", letting come forth from his own lips the truth which could have as easily

come from Mine Own -- Mine was the self chosen path of the crucifixion, the path to Golgotha, the path of The Resurrection, the path to the Visit to Bethany, the path to the Public Ascension. Think on it! If you love someone as deeply as I loved My Mother and John and Peter and Paul and the other disciples who still maintained free will as unascended beings, even re-suscitated, could you leave them sleeping and walk in the Springtime up the Hill of Bethany with the early Spring flowers and the sweet smell of Earth and voluntarily say again, as I did in Gethsemane's Garden "Father, Thy will not Mine be done."

Later I waited for the coming of the noonday Sun, seeing the fear and the confusion in the consciousness of many of My followers and the deep love in the hearts of John and Mother, I allowed the gravity pull of Earth to be released from My Feet and made The Ascension! Why? So that I might make a public Ascension before some five hundred people and meet My Father, leaving to His Wisdom, the care of My disciples and apostles and the Truth which a baby could read, some babies read well because they have not yet become cynical.

People come again only to God, as a rule when their four lower vehicles are absolutely beyond repair and when medical science has confirmed that the vehicles, which they use shall soon disintegrate. Then they think, "Oh Lord, Oh Lord, for all the misuse of Thy Life I'm sorry; I am regretful indeed; please receive me into Heaven", after say eighty years of living according to the human will. Even that prayer is heard and it is answered and every such soul with a contrite heart who asks for the forgiveness of his sins of that of a loved one who is about to depart is

absolved thereof and can see their loved ones and dwell in the Heavenly Realms, although not in the Realms of the Ascended Host of Light.

To dwell in the Realm of the Ascended of Light, one must be willing to SERVE IN PRACTICAL ACTIVITY, which requires the utilization of all the senses of the outer and inner vehicles AT ALL TIMES. I had three years after My Baptism in the River Jordan, three years to perform My Ministry or three years to enjoy Myself but when the Paraclete thru the invocation of John the Baptist annointed Me and the Spirit and Being of Lord Maitreya (now Lord Divino) and I blended into One, there was no thought, beloved ones, not one thought or feeling except that in those three years to get across to as many as I could thru talking, thru so-called miracles, thru example, the way that God intended every man, woman and child to be at the end of that three years.

You know the story well, I told My Mother, I said "they have not learned; they have sat with Me; they have seen the devils cast into the sea; they have seen the blind to be made to see and they have seen Lazurus raised from the tomb, yet they know not the fundamentals of Truth. What shall I do?" And She said: "Son, do what your Heavenly Father requires of You, and do it NOW!" And I did. Never in the thirty-three years of My association with My Divine Mother did I disobey Her, because I knew She was an Angel, embodied for the express purpose of giving Me a physical body, and I knew that it was Her strength and that of Saint Germain Who was of course then Saint Joseph, My Father, that helped Me until I knew Myself - My Mission.

You see when you are born on this Earth, even without sin as I, and the little Buddhas Who do come in, You take on the band of forgetfulness; it is bound around your eyes and your senses and your soul is sheathed more or less and it covers the entire vehicle and when you come into this world of form, that sheath still remains around you until you come to an age of awareness. Then you can begin to absorb understanding. That strong Lady of Heaven and that gentle Joseph protected Me thru those years. Mary protected Joseph, too. In fact I think She is busy protecting all the human race. I cannot speak too highly of the Love of your Cosmic Mother Mary, Who I was privileged to have as My Personal Mother for thirty-three short years but Whom I AM privileged now to serve with in Heaven's Realm throughout all eternity. Never does She pass by but I bow the knee before Her Light.

There are some that cannot bow the knee even before the Heavenly Father, yet Who gave to you the magnificence of the capacity to have joints. Have you thought on this? Suppose you were made of wood, all in one piece, that would have been of the human. Suppose that God in His Infinite Mercy had not given you the power and security of all these joints and all of the various organs and cells of your body! When they say "and adoring, bend the knee" I think often of the prideful ones; some of those that came out of the compound; what a job to bend that knee. Yet on this Earth today there are hundreds of people in institutions that would give their souls if they could bend the knee; some have no knee left; hands to heal and to bless life; these are the Gifts of The Father, fashioned by My Mother in the Sacred Heart Temple. What for? To comb your hair? Ah, no --- to go forth and serve in the

Heavenly Father's Cause and bring His Kingdom here on Earth.

This very morning as hundreds and thousands repeat the "Our Father" I can name maybe a hundred who get the efficacy within it. Our Father Which art in Heaven hallowed -- that is holy -- be Thy Name. Thy Kingdom come on Earth, that is through you; Thy Kingdom come on Earth as It is in Heaven. Beloved ones, think on this! Forgive us our debts, AS we forgive our debtors. That little word "as" is slurred over. Oh, yes, we wish to be forgiven but we will be forgiven in like measure as we forgive those who have trespassed against us. Then the magnificent surrender "for Thine is the Kingdom and the Power and the Glory for ever". Is it -- for you?

Take that prayer this week -- Catholic or Protestant version as you wish -- ask Me to show you in feeling what is within It, and I will. That is My Reason for Being.

My love, that of Saint Germain, and My Holy Mother abide with you now and always.

ACTIVITY OF THE ASCENSION

The Ascension in the Light can be explained in very simple terms by stating that it means accepting and holding in one's consciousness the Perfection alive within the One Consciousness of all life and not deviating from a State of Listening Grace to accept or permit the intrusion of any negative thought or feeling!

I know whereof I speak for I practiced this Truth by acknowledging that One Life within Me, and that Consciousness was a magnet to nourish the Perfection which I had the privilege of holding within My Being until such time as I was counselled by My Guru to let it further expand in order for the Process of the Ascension of My lower garments -- the absorption into the Light - to take place.

I had been told, and truly, that at the time of My Ascension, it would be a simple matter, through the activity of the Holy Breath flowing constantly through My garments, for Me to release My expanded Consciousness until it encompassed the entire Planet. At the time this was accomplished, every part of life abiding upon the Earth experienced a pulsating uplift of spirit, for that which raises the vibratory action of one part of Life, raises all!

Since it was My privilege to make a public Ascension, can you not realize that this was done in order that the mankind of this Earth could see with their physical sight that the Transition from the Earthplane could be accomplished, not only by One who had worn a garment of flesh, but by all who walk the Earth! This process of the Ascension in the Light was the means by which all men were intended to "graduate" to the Heavenly Realms of a Higher Spiral.

The Ascension in the Light will be a natural activity of one's evolution in the Incoming Golden Age for it was practiced by many in previous Ages of Perfection. At the time of the downfall of man into the deceptive lower or human consciousness, that state of degradation spread

like a wild fire throughout the Earth even as dread diseases ravage the vehicles of some individuals in embodiment at the present time. I just give this to you as a simile of the rapidity with which contagion takes place, until through some Formula of the Medical Profession this proliferation is stemmed!

I admonish you, beloved ones, to think seriously, and remind your consciousness when it descends below the level of the Christ Consciousness, that you have a God Formula always at your disposal and that is the Power of the Attention. Coupled with the Purifying Power of the Sacred Fire, you can, through your attention, remedy any imperfection THE VERY INSTANT that it presents itself upon the doorstep of your consciousness!

Please understand that I know full well the trials and tribulations of the human consciousness, and I, too, wore a garment of flesh and had four vehicles of expression on the Earth but through the Graciousness and the Pure Love of My Holy Mother Who always held the Divine Concept for Me, I always had an enfolding Mantle about Me which assisted Me in sustaining that consciousness of Perfection. She has reminded you many times that She is holding that Immaculate Concept for you and for all mankind! If One holds a Sacred Gift for you at all times, why do you not accept that Gift which will be your Freedom in the Light? Ah, yes, you do permit the human consciousness to intrude!

May I suggest that the Mighty Serapis Bey, who is the enfolding Spirit of the Ascension Flame for this Planet, is always willing to assist you, and awaits your Call to Him through which He may further assist you in the Ascension of

your consciousness out of the lower strata of the human into the One Consciousness of Perfection!

Oh, how all of Us Who abide in the Kingdom of Perfection long to give you the added assistance required to attain and abide in the Cosmic Christ Consciousness from which there shall be no receding -- always expanding that avenue of Perfection to which you have attuned your consciousness through the centuries! All the beloved chelas under Our Direction have glorious and expansive Causal Bodies, and those Gifts and Virtues in that Fount of Perfection will flow freely for the enrichment of your individual lifestreams and for all life!

Love that Mighty Christ Presence within you! Love that Lord, Thy God, and have no other 'strange gods', which are of the human consciousness before you! As many Religious Beliefs commemorate the Feast of My Individual Ascension in the Light, please be assured that on that, and all days, I shall infiltrate your consciousness with the Conviction of your Victorious Accomplishment in the Light, and with every release of the Holy Breath flowing through Me, I shall energize the Ascension Flame - alive within you and all life!

* * * * *

Those who learn to love the Father live only to serve Him. Those who truly wish to express love of the Father must come to a conscious realization of His Ever-Presence. Then the Gift of Life, the precious qualifying centers of thought and feeling, the already manifest blessings drawn forth through individual use of consciousness become truly the gift given to Him, not only at the Holy Season but all the year

through. Each man may make some gift of qualified life to The Father and then, as the association proves a happy one, the entire life, purpose and activity of the self is laid at the feet of The Father in joyous surrender. Having experienced the ecstasy of such surrender, I can recommend it to all men seeking peace and freedom from self-seeking.

PREPARATION OF A WORLD TEACHER

My Beloved Master, Lord Divino, asked Me to give you an explanation of the preparation of a World Teacher since I have passed through the experience and initiation Myself.

The cosmic cycle of spiritual nourishment required to mature a newly born Spirit Spark, takes approximately fourteen thousand years. That is one complete revolution of the Cosmic Wheel; two thousand years being under the specific radiation of each one of the Seven rays through the directed energies of the Chohan representing that Ray.

As the Cosmic Wheel turns, it is similar to the advancing seasons upon your Earth, all of which are required to bring to maturity a harvest planted in the Spring. Each two thousand years a certain current plays upon the soul of man and at the end of the fourteen thousand year cycle, the harvest is ready - or should be - to be garnered. The great World Teacher, and presiding Chohan of the Ray which is to be the Spiritual Season in that two thousand year cycle, work out together a plan of religion, ceremonial

worship and radiation which will best benefit the souls of men who are to have the privilege of embodiment during that period of time.

The World Teacher looks upon the radiation and the particular gift of that Ray as it will flow upon the Earth. Then with His Lieutenants He examines the souls who are to embody and have the experience of developing within that two thousand year cycle. Looking upon the Divine Plan, He examines the souls of those who are to embody and have the experience of developing within that cycle of time. He designs a pattern of worship which will stimulate the soul light and life in that entire cycle. This was completed by the Beloved Lord Divino (then Lord Maitreya) preceding My Earth life. The Christian Dispensation was worked out in detail at inner levels to give the greatest blessing and benediction of the Ray of Devotion through the planet Earth and the lifestreams who were to evolve and develop during the two thousand years while the Sixth Ray was predominant.

When it was completed a great Cosmic Council was called and this presentation of the entire Christian Dispensation was thrown upon the Cosmic Screen, showing how it would be first originated and developed by a humble group of individuals; then how it would be matured as greater intensity of the Ray began to play through those who would dedicate themselves to such service.

At the close of this presentation, volunteers were asked who might choose to partake of the great privilege and honor of bringing the first impulse of that Dispensation through the veil of birth into the physical appearance world. Many of Us, having such tremendous love for mankind, and

being eager to see the fulfillment of God's Will on Earth, volunteered, and from these volunteers Lord Divino, looking at the Causal Body and the development through the ages and the specialized talents and characteristics of the lifestreams, chose My Beloved Mother, Myself, My Beloved Father and the Disciples. All of those were among the volunteers!

Lord Divino was required to test the strength of each one, and through the process of initiation certain lifestreams were eliminated. Finally, the heart group who were to perform the pageantry in the world of form was consecrated and blessed by Lord Divino and sent to the Temples of Purification to await the summons by the Karmic Board. At the moment when their part in the Divine Drama was about to be enacted, Joseph, Mary and the Disciples appeared in physical bodies in various places, seemingly humble individuals, and most of them, not remembering much of the inner vision or vow but awaiting the Cosmic Moment when that clarion call, which is invisible and known only to the heart, would go forth and summon them to fulfill their destiny.

I, too, at the Cosmic Moment was called...I, too, received the blessings of Lord Divino. I, too, was bound and passed through the period of forgetfulness and took a earth body, I, too, awoke to a world of form, to a world of shadows and had to find within Myself the reason and purpose of My Being. Well do I remember those early days in Egypt when I was taken at a tender age into those temples, where I learned the law before the priest. Well do I remember My gratitude for the love of My Mother and My Father which balanced the austerity, the discipline, the tremendous pressure required of even a child who applied for mastery in one of the Temples at

Luxor. I remember the first day when suddenly the consciousness of Lord Divino entered My Own! Then it seemed as if I had awakened from a bad dream. When I saw with the clarity of the inner sight His glorious shining face, and I said with every fibre and cell of My being, "Oh, Father, Oh, Father"! And back on that beam of energy came the joy of His heart in that recognition, "My Son, My Son"! Never again did I walk alone! Closer and closer We drew; no veil between, no shadow that could claim power; one with the Christ, and He one with God!

And so I grew, matured, and fulfilled a humble part in the destiny of this great evolution. It was My Joy to walk the paths of Earth. It was My joy to show My confidence in that Father in manifest works. It was My joy to walk the path to Golgotha, and it was My joy to burst forth triumphant from the tomb!

Do you know the hardest experience of that whole life? The parting on the Hill of Bethany into the Ascended Christ; the leaving of dear hearts and consciousnesses that I knew yet needed comfort and strength; the leaving of My Mother and John and those who had loved Me well! Yet had the magnetic pull Of My love turned earthward, the currents would have been broken. Every atom and cell of My being had to be sent up into the Heart of the Electronic Presence, to make FOR YOU the pattern of the ASCENSION, which it is your joy and your destiny to fulfill. Beloved ones I love you. LOVE YOU NOW ONE ANOTHER!

YOUR OWN CHRIST CONSCIOUSNESS

Beloved Children of Life, beloved Children of the Father, beloved friends of many ages! You are those with whom I have shared so many pilgrimages, stood before so many shrines, worshipped at so many altars in the long course of evolution. You have been seeking the Kingdom of God, the right use of the energy of life and the return of the self conscious mastery. Within the heartbeat this mastery is part of the remembrance of the days before the shadows fell on Earth, when men and women walked in freedom, dignity and mastery. The use of life was consecrated and dedicated to widening the borders of that ever expanding Kingdom of Heaven and the weaving into the pattern of form of the magnificent perfection known at inner levels of consciousness.

The restless, surging energy which propels the soul on the search for Truth is motivated by those memories of the divine mastery and dignity, to which each individual consciousness must again return.

I wish to convey to you through the spoken word a portion of My consciousness which throughout the ages you have sought. That consciousness overcame the shadows, limitations, chains and appearances of the world through confidence and trust in the power of God!

It is that confidence which comes through contemplation, through application and through the dedication of your vital energies until no longer do your feelings swear allegiance to the

shadows; until no longer are the energies of your auras set into turbulent motion by those frightening appearances (in truth these appearances have not more power than you give unto them); until each one of you comes into the full maturity of your own Christ consciousness. Such Christ consciousness has overcome all sense of allegiance to the appearances that frighten, distress and disturb the mankind of Earth.

One such man anchored in feeling in the all-power of God is enough in any age to transform the energies of the masses. It is to educate and develop within your feelings that surety, that conviction, that the power of God invoked does act without fail, that We come again, again and again. In each such visitation We anchor a little more of the fire substance of Our worlds through your feeling worlds, your mind consciousness, your etheric bodies and your flesh.

After such a visitation, there is another portion of the energies of your various vehicles that is permanently God qualified and God consecrated and that can never again be qualified with the creations of the human octave.

Wise is he who places his consciousness within and who presses his bodies against the living Presence of the Masters of Wisdom and through contagion absorbs into the energies of his being that confidence and faith in the power of the Almighty!

To you who cling so strongly to the belief of the ages, it seems a slow process, this transmutation, this manifestation in works of that which your consciousness grasps mentally. Believe Me, however, the weaving of the chains and the

drawing of the energies of limitation into your worlds has been an exceedingly slow process too. It has engaged the free will of your life and the use of your faculties for millions and millions of years.

Therefore, be not discouraged in your first endeavors to set the worlds of your consciousness in order, to drive from your individual temples the many lurking fears and doubts, suspicions and uncertainties.

If you could see with the inner sight the centuries upon centuries that your lifestreams have spent in drawing those unpleasant visitors into your temples, you would rejoice that you are finding freedom and access to the Kingdom of Heaven as speedily as you are.

Mankind so loosely accept blessings. Even here below, the blessed Forces of the Elements that have served so ceaselessly through the ages have received in return scant thanks for their constancy. Without their service mankind could not have survived in the effluvia of their own thoughts and feelings.

Still less has the Source of all light, (the Father-Mother God) received the gratitude from those who use His life so freely, pressing it through the senses in the wanton use of free will, in the enjoyment of every passing pleasure. People have such happiness in the use of life, yet loving life itself so little that neither reverence nor gratitude has gone to the Source which has sustained that life and that Individualized consciousness for millions and millions of years on this Earth alone, not to speak of those aeons of time before incarnation on the Earth was a manifest fact.

Mankind must come to an understanding today that the Source which supplies life, which gives intelligence, which endows each separate consciousness with free will, has a purpose in such an investment! Mankind must come back to its Source and, bowing the knee before It, ask for revelation as to that purpose. Then in humility, in gratitude for opportunity, proceed to weave out of their own lives the fulfillment of that purpose!

Wherein is man's merit in doing the Will of God, the God from whence life itself has come? Oh! the joy that should be within the hearts of those who have even a mental concept of the Divine Plan! How willingly and joyously should the energies be consecrated to the fulfillment of that plan, to the exclusion of all personal interest! To think that in the course of one short Earth Life, the iniquities of millions of years might be wiped out, should be a cause for tremendous gratitude. How wonderful to know that in one life of gratitude in action there can be fulfilled the purpose for which individualization and sustenance of consciousness was ordained.

Until mankind come to this day, they shall not know happiness, they shall not know freedom. Those of you who have forsworn the world of pleasure; those of you who have returned to the feet of the Masters; those of you who have woven your energies through these years into the creation of these magnificent forcefields, are most fortunate among men and women, most fortunate that the vow which you took before the Source of all Light, is being fulfilled through your energies. At the close of this Earth life, when you stand again in the Halls of Karma, you may say, "I have fulfilled my purpose. I have fulfilled my vow. I have therefore returned with

sheaves of accomplishment in my hands." You will hear the words of the Father "Well done, thou good, thou faithful servant."

Believe, Me, when I say, nothing matters on this Earth except that you make that record, that you hold those sheaves within your conscious hands and that you have endured unto the end; that you have waited the summons of your Presence and passed yet in active service into the Realms of Light!

Your service is a voluntary one, Children of God. No one asked you to come and no one asked Me. No one asked the great Saint Germain or My Holy Mother to come --- only the love of life, the love of God and the desire to see His Kingdom come prompted any lifestream to bend the knee before the Karmic Board. Only such love could take a vow to render a more than ordinary assistance; to bear a more than ordinary cross; to expiate karma not one's own and to abide in exile on a planet groaning on its axis!

Remember, love prompted you to come and love must bind you together while yet you here remain! While that love for God beats strong for the heart, that love fills your feelings for the Master and that love passes through you for your fellow worker and your fellowman, you are secure! When that love turns to bitterness, to resentment, to rebellion, to spiritual inertia, or spiritual depletion, then within the privacy of your own hearts and rooms, call for the spiritual vitality, call for the spiritual assistance from above. Let it return to you that warmth, that joy, that enthusiasm which you knew before you took an Earth body, when you stood with Saint Germain in the freedom of the inner levels and

saw a planet God free. You then saw men and women in Freedom's robes; no sickness, no disease, no death known. More than once in the course of an Earth life is it necessary for Cosmic Vitality and the infusion of Spiritual Energy to sustain you. No man is complete in himself. The great and mighty Archangel Michael, the beloved Gabriel, the beloved Raphael, all the members of the Archangels sustained My Mother, My Father and Myself. During that night in Gethsemane, the presence of the Archangels gave to me the courage to renew My vow! When I was alone; when those who loved Me best were sleeping; when the future held another sweet springtime, the birds sang sweetly and the early flowers were blooming, the salt spray from the sea was in My nostrils, and the vital fire of a body that never knew illness was invigorated by the pulsation of resurrection, then I choose to give that life!

We see, oh -- better than you know -- We see the individual depletions and renewals! I but ask you to remember that as I received assistance, so may you! Wise are you that abide within it! Wise are you that expose your souls and spirits at every opportunity to the spiritual vitality that flows from the Archangels through the Earth.

After the passing of My Father, one of the most difficult of My experiences was leaving My beloved Mother and making that pilgrimage into the heart of Asia. There I met the Being Whom you know as the Divine Director. There I dwelt with Him, learning to measure in My Own Consciousness and make My Own, the few short affirmations which He gave Me. One of the Lessons which passed from His mighty consciousness to all of Us who gathered round Him, was that no

prayer or mantram, as He called them, or decree had efficacy unless the consciousness within itself, in feeling, both accepted and understood the truth affirmed.

We were taught there the power of mental concentration upon the mantram which was Ours to use and We were asked through the energies of Our Own forcefield, or Own auras, to draw forth the truth of that mantram until it was visible to the Guru. We were not given another application until every fibre and cell of Our beings confirmed Our affirmation and We had made it Our Own in practical, manifest fact.

Some remained for thirty or forty years working on the phrase "I AM THAT I AM". Some remained an entire embodiment upon "I AM the Resurrection and the Life." There was no favoritism. There was nothing that could forward Our progress except the externalized truth which was contained within that portion of the Law which the Guru gave to us. He gave it to us sparingly as though the breath of life contained within the aphorism could never be used again until the Kingdom was at hand!

Mankind and the world does not realize the reverence with which the great Masters and Teachers, the Sages and Saints, treat life. Mankind that devours truths, digests them little and makes them not their own, has much to learn about the disciplines that accompany the development of consciousness within the Retreats of the world.

Many, many who applied to the Divine Director were not even given a single worded expression

throughout that embodiment, for that great Being did not feel that their light and consciousness warranted the investment of His energies and the corresponding responsibility which would enter the world of the student, if he could not make that truth fact!

These aspirants sat within the aura of the Master throughout an entire embodiment just content to touch the hem of His garment (aura). They were content to feel their own weak spiritual energies flowing upward on His constant upsurge of adoration and devotion to God. They were hoping that perhaps within their own aura some day or hour there might be kindled a magnetic spark which would draw even a flicker of interest from His eyes, a nod of His head or the benediction from His hand, and genuflecting to ground when such recognition was accorded them without a spoken word.

For Myself I joined those pilgrims with no announcement. I sat with the others in the nameless circle and the Master in deep contemplation and meditation made no sign that He knew of My presence. I was not heralded as the Messiah, or singled out for favors. I was to rise or fall like any man or woman on My own light. I would not have wished to have it otherwise! When mankind and students who strive for 'place' come to an understanding of this, their hearts will know peace.

The moment the pupil is ready, the Master appears! The moment the pupil is ready for more knowledge, the knowledge is given. The moment the Earth is tilled, the new seed is sown. We, Who seem now so prolific in the sowing of Our seeds, do so because long after your world cycle

is completed, and you stand in the God-free realm, there will be men and women who will base their life upon this Law. As one Who took so eagerly that single phrase "I AM the Resurrection and the Life" so grateful that I had been accorded the privilege and the honor of receiving from the lips of the Guru some workable knowledge to make My Own, I say to you who are so blessed, receiving this instruction without limit, you would be wise to reverence the gift and counsel given.

Forty-eight hours after I had received that affirmation "I AM the Resurrection and the Life" as you know, the fullness of My mission was revealed to Me and I had accomplished the purpose of My visit. I shall ever be grateful to that Blessed One Who gave Me the key. Remember, however, I prepared the soil for its sowing and after it was given Me, My life had to nourish and develop the plant and the harvest. When I left there was no farewell. The circle of hopeful ones did not even know one pilgrim was removed from their midst. The Master did not even open His eyes or gesture. All the way back across the hot sands of India, across the rough stones of the hills, I rejoiced over and over in the richness I had received from the Being, in that phrase alone -- "I AM the Resurrection and the Life." I builded from it a ministry that stands today as a manifest example that it is not necessarily the amount of knowledge but the application of the knowledge given which brings results--themselves a proof of Mastery and Freedom to mankind!

Take not these words and this instruction lightly! Take it home, into your consciousness and into your heart. Weave into manifest form around

you an aura so that your Guru looking upon you will say "this student is ready to be entrusted with more truth, with greater powers, with a deeper understanding of the Law.

EXTERNALIZING THE GIFTS OF THE CAUSAL BODY

"I AM" He Who is often referred to as The Prince of Peace, and I come into the atmosphere of Earth today bringing all the momentum of that Quality which it has been My privilege to gather through the centuries....Peace, blessed Peace that which the hearts of men on this Planet so crave. There is no soul upon this Earth who, within the recesses of his being, does not desire Peace.

We know that the fanatics, the zealots, are those who are using the Sixth Ray Quality of Peace in a negative manner, and once their enthusiasm can be channeled into a constructive endeavor, since they have great momentums of peace in their lifestreams, the stockpile of that Virtue for the Earth will be tremendously expanded.

My Mission upon this Globe was to externalize the Gifts and Powers of Perfection which I had garnered through the ages. It was essential that I keep My four lower vehicles at Peace, so that My Christ Self could draw from My Causal Body those Treasures which I had 'laid up in Heaven' --the storehouse of My Being. After I had proven that I was able to do this (through tremendous discipline, mind you) I was privileged or given

the opportunity of drawing upon the Nature of the then World Teacher, Beloved Lord Maitreya, (now the Buddha, Lord Divino).

When it was My opportunity to serve as World Teacher with Beloved Kuthumi, (note: The Beloved Master Jesus has now advanced to the Office of Cosmic Christ) there were many unascended life-streams to whom I offered to channel the Gifts of My Lifestream into the evolutions of this Earth. In most instances there were those who were associated with Me during My Mission upon this Earth, and who have deeply embedded the memories of those days when We served the common purpose of showing the peoples of this Earthplane that each had a Christ Self, Who would, and could, show them the way back Home, given the opportunity of directing the energies of their life-streams. Some of these blessed chelas are those who have not yet completely accepted within their vehicles that this is now the Seventh Ray Dispensation, clinging tenaciously to the Sixth Ray.

I ask those who still feel so strongly in this regard, to counsel with Me and I will assist them in the forward change to the Seventh Ray vibration. You know, permit Me to say, that this reluctance is born of the human which finds change distasteful. I know the Way! I have walked the Path to Victory before you! I offer My assistance! Please let Me help you!

As I was permitted during My Ministry on Earth to show the way to others, so have you been instructed through the years to be the Way-showers of men. I most enthusiastically and prayerfully counsel you to follow the instruction which We of the Spiritual Hierarchy have given you these many years. You realize, of course,

that this can only be accomplished through holding the Peace, and through the radiation of Pure Divine Love and Tolerance of your fellow-traveler.

I wish to emphasize the fact that you have been, and still are being prepared, to release The Gifts of your Causal Body. None have yet realized the importance of your own Spiritual Bank, upon which you can draw the various Virtues which are so required for the evolutions of the Earth at this chaotic time. The day is fast approaching when you are going to be in contact with larger groups of people, and for that moment you have to be in readiness as a "conductor" of the God Qualities which you have builded through the ages, in preparation for this day. We come to counsel you for the benefaction of all upon this Planet, not for your personal advancement, alone. We are accountable to the Spiritual Law for the release of Our energy, and its investment in you, and it is expedient that you realize this.

Now, in your own personal experience, regarding your own vehicles, please do not limit your Causal Body in that It is only permitted to function in the Higher Realms. If you are expressing any form of distress of disintegration, that is because of your acceptance of the negative. It is comparatively simple for you to turn your attention to your Causal Body and allow the perfection you once knew to flow through and rejuvenate your vehicles, and bring to your conscious disposal all that is required for that externalization of Perfection, and in so doing, be a Radiating Center of God's Gifts for all mankind.

Further, the Etheric Realm is literally 'bursting with Perfection, just waiting for some

obedient and illumined lifestreams to tune in to the Gifts therein and channel them into the Earthplane. Oh the wondrous blessings which that magnificent Exponent of God's Will, Beloved El Morya has obediently received from the Cosmic "I AM" Presence and released to the other Directors of the Rays, to have Them add all the Beauty and Talents of Their Beings, and all that Glorious Perfection is waiting, waiting, for you and other illumined and trained lifestreams to lower into the atmosphere of Earth, through the art of Listening Grace and Obedience to the Will of God. Seriously contemplate these words, and show Us, your Teachers, that Our investment in you can bear further fruit for the expansion of Perfection upon this Planet! I have confidence in your ability to do so, and I shall be waiting, watching and praying for your expanded illumination and obedience to the Will of God.

Blessed hearts of Light, please understand that it is because We love you, and know your great potential, that We continually prod you, but at the same time glancing at your lifestreams individually, I can say unreservedly, that it is because of the wonderful expansion of your Light that We find great promise in your endeavors, and know that you are on the threshold of manifesting the glorious Perfection of the Heritage which The Creator has invested in you, individually. God Speed that day!

A word about Shamballa. The Assembly in the Etheric Realm over Long Island is well pleased with the cooperation of the chelas of THE BRIDGE TO FREEDOM thus far, and it is Our heart-prayer that you will continue in your participation of this God-ordained Project.....Blessed be your obedient lifestreams Your names are inscribed in Living Light on the Scroll for the

building of Shamballa, an opportunity and a privilege which you have wholeheartedly accepted. One day, when you are Ascended and Free, you will see what this has done for the advancement of your lifestreams on the Path to Spiritual Freedom in the Light!

The Light which is blazing forth from the Etheric Shamballa is so powerful and sublime, truly it is a wonder that the physical eyes of the people who live on this Holy Isle do not see its beauty in the Heavens. We are anticipating that some will have that ecstasy of joyful visual participation in Its release. We know the chelas will experience great happiness while the Home of the Spiritual Hierarchy is opened to them, for the buoyancy of the acceptance of the activities of the Hierarchy is finding a welcome in their etheric vehicles which surely will infiltrate the other lower garments.

The chelas all over the Planet who are so assiduously serving the Cause of World Good bring immense gratitude to their Elder Brothers and Sisters Who have preceded them into God-Freedom. Every movement, every gesture, of the Assembled Guests at Shamballa is of a poetic quality, and the Cosmos is enriched by the Glorious Harmony of the Spheres. Your part in the activities is of noteworthy calibre, blessed children of Light.

Beloved Holy AEolus and the Goddess of Liberty, in particular, have asked that I convey Their gratitude, as well as that of the entire Hierarchy in the nourishment which your love has given the Little Doves. When first released, they were about the size of the little fireflies, as you were told, and they have now grown to the

Proportions of a fully grown Dove. Truly are they the Harbingers of the Peace which shall, by Cosmic Edict, enfold all life upon this Planet, and the Earth Herself. We are interested in the ingenuity of the chelas in the directives which are given to these Doves and their Angelic Guardians. Meritorious is this experiment and most spiritually rewarding. Continue, beloved ones, in this cooperative activity!

LOVE OF "THE FATHER"

I come to you today, Oh, My beloved brothers and sisters, with all the love of My own heart and the blessed outpouring from My Master, Lord Maitreya (Lord Divino), from Whose side I have come as He stood in the fields of Kashmir this day and endeavored through the outpouring of His feeling of the Nature of God, to convey to the pilgrims assembled, that Love which The Father of all Life has for His Children... a Love that is unchanging, and intensified in Its pressure and power with every beat of the Celestial Heart of that Great God, which never takes into consideration in that loving the worthiness or the merit of one enfolded in that Presence.

The Love of the Father has been My Message since I was first vested with the glorious opportunity of bringing the joyous words to man, that their Father was not to be considered as a Being of wrath, but rather the loving, kindly and considerate One to whom all had equal access, according to the requirements of their individual hearts.

I endeavored to draw before the consciousness of the people that it is the Father-God's pleasure for each man and woman and child to enjoy the Perfection designed by Him, and but awaiting the acceptance of the consciousness in order to be manifest through the lifestream.

Speaking to you, I speak to old Heart Friends. Some of you were with us in Egypt and proceeded across the great desert into the Promised Land, some walked with Me around Jericho and your voice joined Mine in that immortal shout of triumph before which the walls fell. (The Master was Joshua in a previous embodiment.) Some of you were with Me in Persia when I, as Zoroaster, contemplated the Nature of the Father and embodied His Light; and some walked with Me as Apollonius from Tyana, as we drew those great currents from the Inner Realms to prepare for the Shrines which have come to be such great powers in the Christian Dispensation, and some of which have not been revealed to the outer consciousness.

Then before I entered incarnation for My final Mission, I would like to remind you that some of you sat with Me around that glorious table when the Lord of the World Himself revealed the plan by which an initiate was to incarnate and bring the fullness of the Nature of God through His Consciousness - His Word and His Works which would be the permanent record of Christ Incarnate for the entire race.

Do you remember the solemn hush as the Lord of the World described that mission, up to, through and including the Crucifixion, the Resurrection and the Ascension? .. Do you remember the White Robed Figures who rose as one to volunteer for that service. Thirty-six there were

who qualified to come, and of that thirty-six My Teacher and Master, Lord Maitreya, chose Myself, and He chose also My Beloved Mother, and your great Heart Friend Saint Germain (Saint Joseph in that embodiment). We represented the Trinity through which the Mission of the Christ could be manifest.

Then it was My opportunity to call forth My twelve disciples, and those other blessed ones who would assist Me in a future day. Together we all knelt before the King of Kings, and He placed His thumb on our foreheads, His hand on top of our heads...He blessed us and Lord Maitreya anointed each one with the Spiritual Oil of the Cosmic Christ. Then we were each designated to go into a particular Temple until the Lords of Incarnation could prepare for Us suitable vessels timed with the stars, so that all might attain their majority at the proper moment. The Beloved Joseph and Mary incarnated long before I did, and some of the disciples too, and Elizabeth and John the Baptist, and all of those who were to prepare for My coming. As each one left, we gathered together with that strong heart feeling and prayer that we might remember when the bonds of forgetfulness and the pull of the earth life had dimmed our Mission, our Vow, our Promise.

Finally, the Beloved Morya and Kuthumi (as two of the three Wise Men), and those engaged in the study of the stars, knew that the hour for My conception and incarnation was about to take place. I shall never forget My parting from Lord Maitreya -- the Love and Kindness in that great and beautiful Presence as He placed His arms around Me and breathed a Heart Prayer that I felt through the consciousness of My own Being, for

He knew how much depended upon My fidelity to My vow, and how much depended upon My capacity to retain the vision of My service, through those early years when I was not to be particularly favored among the sons of men. My prayer, too, rose with His.

There is no deeper feeling Blessed Children of Light, than that between the Master and the pupil...it grows through association, through the wonderful knowledge of the Master of the very weaknesses of His chosen chela, and as the chela comes up over those weaknesses and for the first time surmounts a particular temptation... the joy in the Heart of the Master is beautiful to behold. When the chela can call the Master "Father" and the Master the chela "Son" -- it is as close a tie as that between the Father of all Life Himself and every Christ who has attained Immortality.

This is the feeling in the Heart of the Guru when His disciple and student is going forth, depending upon the strength and the Light which he has achieved through the Guru's training, and endeavors to render a Cosmic Service in which millions of souls will be affected adversely or otherwise. If there could be agony in Heaven, I would say it is in that hour, and all the love and the strength and the Light of the Guru enfolds the incarnating soul, and all the hope of the student ties into the Heart of the Master, until even after the memory is gone, that FEELING remains of union with "something" beyond and above the consciousness of the senses.

I was privileged, of course, in being welcomed by Beloved Mary, and She provided for Me through Her Aura that love and that protection

and that spiritual sanctity, without which I think I could not have endured those early years when My consciousness was not yet developed enough to remember My Father's Home, and I shall be eternally grateful for the strength of the Beloved Saint Germain Who stood by Us. I can see as clearly today as in that long ago, the strong hands working upon the yoke of an oxen, gently and smoothly preparing the wood, that it might not give pain to the creature for whom it was carved.

Then the first glimmer of My Memory began to return. Oh, happy, happy day.... when out in the fields I lay looking at the Sun and for an instant there flashed into My consciousness remembrance of My Teacher and My connection with the Father --- God. I remember walking home slowly, and how My Mother, looking at Me, realized that the Christ Self was beginning to take hold of My small form. So I can feel for you, My children, who are yearning for that connection with Your Presence. You know how precious it was -- you know how sweet the association, for you feel it, and it is My Joy and that of My Great Master to offer to you individually and collectively, OUR FEELING OF ONENESS with your Presence. Let that be Our Gift to you.

I shall not dwell on the well known facts of My Ministry, but I shall bring to your remembrance again that at the close of this earth life, you are going to experience the joy of the Ascension. Oh, how can words describe to blessed hearts incarcerated in flesh, the FREEDOM that is to be yours, the joy that when there enters within your consciousness a thought or a design by which to benefit the race, time nor space nor anything can limit your instantaneous accomplishment!

From one who has passed consciously in the full waking outer consciousness of daily life under the brilliant Sun at noon, and in the presence of those whom I loved more than life itself, into the Home of My Father -- let Me, please, dear hearts, convey to you that all of the suffering --- all of the discipline --- all of the trials --- all of the renunciation of this earth life are worth that instant when the pull of earth can no longer bind your purified soul, and you know FREEDOM!

Let Me warn you that in your association one with another, you can prepare for this hour, and the most subtle of your tests will be LOVE! For instance, in My own case there was Mary, who had taken Me as an infant and in the glory of that aura raised My small form, and throughout all My Ministry welcomed and accepted every lifestream that I chose to bring home, upon My word that they were of the Father's Kingdom; sweet John who breathed not a breath for himself from the instant that I called him; and Peter and James and all the otherswhom I knew were not equipped without My Consciousness and My Presence to live in the fullness of Life, and yet at that moment when the call came I had to decide between the pull of Love and the call of the Presence.

Who among you facing such a choice would know which was the greater service? There are some I know would say, "it is better that I stay with my own lest they fall by the wayside," and yet if I had done that the world would not have the public example of the Ascension, which has been the hope of the Christian world since that time. I tell you, dear friends, that is not an easy decision

Your call will come, each one! Prepare you for that hour, for that which you love will be closest to you, and the subtle feeling had best be handled long before that day. In the constant leaving of your every decision to your Presence --- "not my will but Thine be done" -- you are building that momentum, you will not suffer such a tug of the heart, and you will save yourself much agony and much uncertainty.

I love you, each one, with a Love that is deep and sincere, and it is not based on what you are, or on what you have been, but it is based on what you shall become, for I have seen you in the Heart of the Father and knowing the Glory you had with Him before the world was, I but anticipate the hour of your full manifestation of that Glory while you yet walk the earth. Let us no longer be backward-looking through two thousand years of time for the miracles that can be accomplished today! The world groans with pain and agony, with sickness, disease, death, and corruption -- you alone are the hope of the world! Were I to have incarnated again and again every hundred years up to the present hour, I would have denied YOU THE OPPORTUNITY to become that which I AM, and there is no Christ Being Who does not allow the development of His fellow-men into greater glory.

I IMPLORE YOU, in the Name of the Father of all Life, to set into action those calls by which every one of you may walk through those hospitals and asylums and restore man to his natural estate. If you love Me, DO THAT WHICH I HAVE DONE, and this will be your answer to My words spoken this hour.

In the Name of the Father, in the Name of My own Lifestream, and in the Name of the Great Holy

Spirit of Life, I give to you the Blessings of Love, and the Love of every Brother and Sister who has become the Freedom which I AM.

AN AURA OF PEACE

Beloved Children of The Father, I cannot tell you how beautiful is the experience of consciously controlling energy through the aura of Peace. It was the strength of My Ministry, the heart of My Healing, and the very soul of My Ascension.

Long centuries ago, upon a green topped hill, beneath a clear blue sky, I sat and watched the fleecy clouds tossed by the wind and the flocks of sheep grazing on the hillsides; I was permitted, through the Grace of The Almighty, to unfold the glorious sustaining Power of Peace. Truly is Peace a Power, an unction which soothes and heals, not on the surface but within the recesses of one's being.

How the world requires the Gifts of Peace today. Not the inertia of lethargy but the alert and watching confidence that comes when one has found Peace within himself, between all his vehicles and his intellect, between the forces of Nature and his God-hood. And such an one then becomes wherever he moves a soothing and Peace-Commanding Presence to all life, the human and the animal kingdom as well.

I have recently become cognizant that many of Our chelas have taken steps in the direction of dispensing that glorious God Attribute of

Peace, through the commanding and silent power of right which is always the victorious control of energy, and which is a true reason for being. I come today to bless you for this Spiritual Unfoldment. Thank You!

"Not my Will but Thine be done" is not a negative but rather a positive attitude of thought and feeling! The alignment of the Omnipresent, Omniscient Presence of God through the individual is the practical manifestation of mastery. It is not enough to accept the Ever-Presence of God. The powers and mastery of God must be magnetized and externalize through the individual. This was the example I left to humanity. Worship of God is not enough. Becoming the fulness of all that God has designed for every man is the destiny of the individual and the race. The Gift of Life, Intelligence and Consciousness is for a reason. That reason must be pursued through earnest, individual contemplation. Then only will man know peace and through experience know the fruits of his contemplation in works well done.

JESUS - MASTER DIVINE

Jesus - Master Divine!
 Jesus - sweet Brother mine;
 Let Thy light through me shine -
 Possess my world today!
 Take Thou my hand - and hold it fast;
 Let me express Thy peace at last;
 Flood now my world with all Thou hast -
 I CLAIM THY VICTORY NOW!

Jesus - Thou art my Lord!
 Jesus - the "I AM" Word!
 Blue Lightning is the Sword
 Which cuts me free today!
 Hold Thou for me my God-control -
 Now purify - complete - my soul;
 Keep me up-reaching toward my goal -
 Thou art the Guide for me!

Jesus - I love Thy Name!
 Jesus - Its power and fame
 Transmute by Violet Flame
 All shadows of this world!
 I call Thee now - COME! BLAZE THY LIGHT!
 COME! SET ME FREE -
 MAKE ALL THINGS RIGHT!
 Help me let flow my "I AM" might -
 My Plan Divine fulfill!

TRUTH, IF APPLIED WILL SET YOU FREE

Beloved, blessed friends of Light, who have loved Me long and love Me still, grateful indeed "I AM" for your presence on this day which is a memory sweet in many respects to My heart, and yet a day in which I had to leave so much yet unsaid and undone, into the keeping of My Mother, beloved John, and the Disciples, with a prayerful heart that the vision and dispensation which has lasted two thousand years, might be anchored firmly through those blessed ones, some whom renounced the Ascension at the time of My Own Victory, in order to bring and to keep in the emotional, mental, etheric and physical consciousness of mankind, not only the radiation which "I AM", but the instruction which I gave, which has formed, of course the basis for the Christian philosophy.

Oh beloved ones, it is with grateful hearts that We honor every sincere chela who has helped Us to open the bridge from Divinity's Realm into the realm of the outer consciousness so that Those of Us Who have been glorified and honored by many, many centuries of men, may no longer have to confine Our instruction and radiation to the small amount of recorded doctrine which We presented, and of course through the channels of energy through unascended beings who have had great love and devotion to Us. No longer are the small Gospels the full extent of My teachings to the peoples of Earth, for the open door has allowed Us from Divinity's Realm to bring to you now, from the past and in the more glorious future that is to come, more and more of eternal verities of that Truth which I said long ago and re-affirm THAT TRUTH, IF APPLIED, WILL SET YOU FREE!

Beloved ones, as the great Lord of the World said to you so recently, and I repeat, all of the instruction and knowledge if not applied individually through your own precious application and experimentation with that knowledge and that law, will not give you freedom nor self-mastery over energy and vibration. This I know through My Own personal experience. When I had attained that mastery for which I was born without sin, good men and women enjoying the miracles so-called, which such mastery made easy to manifest, preferred to see the fruits, and very few listened to the Law by which they themselves might have become Master over the appearances of sickness, disease, disintegration and even so-called death.

Beloved ones, "I AM" grateful for opportunity to affirm and to re-affirm to you that the importance of receiving knowledge, insofar as your soul growth is concerned, is the actual practical experimentation with that knowledge received, even though at first your results may not express to you full perfection. Why? Because as your individual Presence pours Its Light through you, which is the very beat of your heart, that life-essence is colored by your feelings thoughts and your memories, as well as all the traits of character of the present physical personality, and you are subject likewise to the mass ties of limitation and distress. Therefore it takes the bold, the constant, the trusting, the faithful and the wise to continue to experiment with the Cosmic Law, and as beloved Saint Germain did before He was ascended, even if you do not have full manifestation on your first try, or on twenty years application, there is nothing wrong with the Law, beloved ones. It is just that your channel has not been purified sufficiently so that

the same gifts and powers which I used merely to be the example of what every man, woman and child should be, are yours today, not in some far distant heaven with streets lined with gold! The mastery over energy and distress is not required there, for all is peace, beauty, harmony and perfection. Why should I then have come through the veil of birth and live in a world of great darkness if it was not that the great Father of us all desired to show to the people of My generation and those of succeeding generations who believed on My chronicled life, what could be done by a man wearing a coat of flesh.

Your Earth today is in a great period of chaos. The strongest points of light, even as in My day, are focuses for the remnants of discord. I say to you, that Light and that Life, which is the gift of the Father of ALL, that beats your hearts, IS all powerful in and through you, when your motive is sincere and you are selfless in the desire to give the gifts from your own Causal Body for the illumination, harmonization of the distresses of mankind, elemental life and imprisoned Angels.

I love the Angels! All during that Earth life, the great Archangels and lesser Angels were My companions, Mother, Herself, coming of the Kingdom. Oh, to see Angels imprisoned in gross form, with such great feeling for Our perfected realm, and yet willing to so remain because Earth is not yet free.

I love the Elemental Life, that beautiful Life that has given and is giving you so freely of Itself, and I love the great Holy Christ Flame within your heart which shall one day be master over every bit of the energy and vibration which you have qualified destructively, until the upper

parts of your bodies are blazing with Its Light; until your hands become as Mine, conductors of the Healing Flame from God's Own Heart; until where you stand death ceases to be, and LIFE Itself is manifest again in dignity. These things I came but to teach you, that they could be done by other men and women. Yet even those who lived within My aura, slept within the compass of My Mother's Home, when first they attempted to call forth those powers, returned to Me distressed because human appearance yielded not, and they had physical proximity to My Presence for a number of years.

You have now proximity to My Presence. Those of you who thought enough of Me to make a short pilgrimage to My Presence. You have proximity to Me by merely mentioning My Name! My Name - which I have given to all mankind as a protection against any and all evil and distressing thoughts, feelings and pressures. in the NAME OF THE ASCENDED JESUS CHRIST men and women have healed, they have suffered privation and have come forth victorious. They have learned and used the powers of levitation and precipitation. They have ministered unto those who were temporarily under the spell of seeming illness. In the Name of the Ascended Jesus Christ, I speak now to every chela on this planet Earth and who believes in My Presence and My capacity to speak in this day and age!

It is time for each one of you to become Christ in Action! I do not enjoy the solitary confinement upon the pillars of marble. It would be a lonely heaven were I there alone. Thank God, it is not so! There are many Sons and Daughters of Light, as you well know, Who are My Companions and many superior Beings, so far above Me on the

ladder of Divine evolution that I cannot even see the outline of Their "I AM" Presence or Their White Fire Bodies by the very radiance of Their Light. So it is with you as you move upward and forward on the Path of self-mastery, always be sure that there is some one on the rung below you whom you are lifting to take the place on that rung on the ladder as you move onward into greater and greater Light.

John and Mother Mary chose to take that place for Me, and thus on that morning I was enabled to quietly and unostentatiously walk up that grassy path to the top of Bethany's Hill and have just a little solitude, watching the Sun rise, enjoying the beauties of Earth before My beloved Disciples and those who came to wonder and to question, following after them, reached the brow of the Hill. So it was in that inner resurrected body that I was able, in the presence of almost five hundred people, not all of whom believed that such a thing was possible, I was able to quicken the vibratory action of that resurrected form and with the great assistance of the mighty prayer force that My Mother had established through Her years of prayer on Bethany's Hill, with the great assistance of My Own "I AM" Presence, the Ascension was publicly manifest.

Some there were who saw it, some there were who did not, because as the Light became brighter, the natural activity of the human self is to cover the eyes against glare. Some were frightened, as you find in your present and all future activities of the unusual and they turn their backs lest they be distressed. Some flung themselves on the ground, but the few who stood and can bear witness, some of whom are within this

room today, you know that from the top of the Hill of Bethany, having completed My course and left in the hands of those who were to form the foundation of the Christian Dispensation, I ascended to My Father and to yours, enjoying that company of Divine Beings Who have foresworn Nirvana, continuing My assistance as best I could to any and all lifestreams who in their turn would direct their attention toward Me.

I ask this day a boon of the Cosmic Law, in the removal of the crucified Christ from all of the Christian Churches, and the replacement by a visualization of the Ascending Christ, so something that the people can look upon which will uplift their vision and give them hope, help and strength to want to achieve like mastery; for that very crucified Christ, which the orthodox world places before the people, is the symbol of vicarious atonement. It is the way of the outer self, as you well know, to let some other lifestream carry your sin. God knows We, to the best of Our ability, every time that you honor Us with your Presence, transmute as much of the karma of your own creation as is possible. God knows, while We are in the atmosphere of Earth, how much of the mass karma, the rip-tides that flow through the Earth and Its atmosphere are sucked into the substance which forms Our auras and there transmuted into Light, charged into the "I AM" Presence of the individual who created that discord and then held there until the "I AM" Presence of such an one finds worthiness in the personality and can safely through the Silver Cord and the Holy Christ Flame release that Light again.

In the power of invocation as I used it, and as every God-free Being uses it, the Three-fold

Flame in your hearts has a definite reason for its coloration and its place. As you draw the Power, and Wisdom directs it, and Love sends it forth, you are completely protected from every adverse motive, even those which you do not know of in the outer self. Every healing that I performed, every leper that was cured, every blind man that was made to see, every obsessed one that was freed of a discarnate that has no place in that form, and every man and child that was in the appearance of death who was given again life -- was given that boon through the magnetizing of the POWER of My Father, WISDOM to use it where I saw that the lifestream could be benefitted or a lesson could be taught to the witnesses, and then the LOVE for the individual who received healing, as well as for the Father Who gave Me the power by which to do it.

Beloved ones, if you will keep that in mind in all that you endeavor to do! Power alone is the most dangerous of the qualities unless it is directed by true Wisdom and discrimination that comes of your Father, and unless it is qualified with honest Love for your God, Divine Masters, your fellow man, imprisoned Angels, little elementals, four-footed creatures and every living thing.

I repeatedly said over and over again and I still maintain that statement today for a specific reason --- "I, of Myself can do nothing. It is the Father WITHIN that doeth the works," to remind you that the power that was drawn through My lifestream directed by the Wisdom of the Father and sent forth in Love, should never be used, and it never was used in My whole embodiment for anything but to do God's Will here on Earth, to attempt to establish the Kingdom of Heaven on the planet Earth; to attempt to arouse

the dormant spark of Divinity within the peoples of that Era. Now the Cosmic Christ has spoken, and the Christ Selves of men and women and children too are beginning to act. Those who want Power of the personal self find themselves sheared of it. Those who want power to use with Wisdom to expand the cause of Love shall INCREASE in majesty, indignity and in works well done. Thus is the teaching of the new Era. It was the Teaching of the Christian Dispensation which was My Era, in which very few of mankind received the Ascension. Now you come to the New Age of the great Ascended Master Saint Germain, where the Kingdom of Heaven shall manifest on this Earth. Through whom? Through those in whom we have invested Our Life, Our instruction, those who have reached their hands out to Us from Divinity's Realm to form that Bridge, which remains unto this day through your individual and collective endeavor.

You are My brothers and sisters, not of blood but of spiritual light; that Light which flows through you and through Me is the life blood of the spirit and flows from the One Father Whom I represented on Earth and Whom now you have in this day, opportunity to so represent. Oh, ensure not the outer self. If you are not the fulness of the mastery that you should become for the negative qualities of depreciation and self blame, merely fill your feelings and your minds with more substance, and the next Beloved Master, and in this case it is El Morya, will have to dislodge it. Rather fill yourself with the feeling of rejoicing that I too was a man and was subject to pressure and bore witness to many unpleasanties, not only in the world at large but in My immediate Disciples. Yet through the Grace of Almighty God and My steadfastness in holding to His Will, I had a victory,

the Victory of the Ascension, which is to be your victory too. Perhaps in your case it will not be so spectacular and I hope for your sake it will not, because of ridicule and bigotry and disbelief upon a soul departing, particularly in that delicate fabric of ascending into the Light of the "I AM" Presence, is not a happy experience. I made that sacrifice although like all unascended beings I tried after the Last Supper to remove Myself from it. Yet I made that sacrifice of the crucifixion and the ignominy that preceded it. Then the returning and resuscitating of that form, the walking and talking and convincing of the Disciples that I was I; and the final sacrifice of a public Ascension which is the most sacred of all your experiences, one that really should not be a spectacle. I made that so that all men would know and could know that what I had done, all men could do. Yet glorified as has been My work for the doing of what I did, that day is yet to come.

In the Name of My Beloved Mother Mary, in the Name of Our Beloved Ascended Master Saint Germain, in the Name of the great Hierarch El Morya, in the Name of the Beloved Serapis Bey Whose Ascension Flame blazes at Luxor, I thank you for believing in Me sufficiently to make a pilgrimage to My Presence. You shall be rewarded for the endeavor and the love. Thank You beloved ones.

HOW TO CALL FORTH THE IMMACULATE CONCEPT

Beloved ones, gathered together in honor of a Resurrection, one in which I participated through the help and kindly assistance of many beings of Light, today I bring to you the feeling of My Own Resurrection charging it with all the infinite combined gathered momentum of every Being Who has so experienced a Resurrection from distress into Perfection again! Even as that experience of Mine has become well known to the peoples of the Earth through the efficacy of My followers even so may I make that call now to the Universal First Cause that created and sustained Me that there may be in, through and around each and everyone of your lifestreams those beautiful friends. Ascended and embodied, to help you in the process of personal and individual, as well as planetary Resurrection at this time.

The planet Earth is quickening in Its orbit as It swings around in the beautiful symphony of the spheres, the vibratory action of the very Earth Itself and the water element and the air are quickened in action as We prepare the planet Earth for the forward movement which is to be forthcoming. Therefore, in like manner all evolutions that use the Earth as a platform for their physical being -- human beings, animal and bird creations -- are being quickened too in this process of the Resurrection and Life! It is a process that is not instantaneous in its activity but that does take place as from the very heart of Pelleur's Kingdom that tremendous acceleration flows upward and upward and upward and every cell and electron belonging to this universe to its very periphery is quickened by that pulsation

from the heart of the Earth and then by the pulsation of the Ascended Master Realm which descends and anchors into the Christ Self of every human being.

That which I have done and which has seemed so miraculous to some, shall become a common occurrence as the Christ stands forth through every man, through every woman and through every incoming child, that Christ Nature which is dormant within the masses, stirred to life within My Heart, brought to maturity to be an example to mankind, that Christ is alive in the world in every beating heart. It is alive and responsive to My words and to My Presence. It is alive and responsible to the Cosmic Christ directed through My lifestream for a specific service and to this living Christ which is within every human being, unascended and every human being who has not come yet into embodiment but who has not attained the victory of the Ascension. To this living Christ within you do I speak!

"In the Name and by the Power of Jesus the Christ, come forth and manifest now! Be Thou the full and only power acting through the forms which You Inhabit! Transmute the soul into the substance of LIGHT and allow Divinity the courtesy of expression here in the physical appearance world, or in the inner realms wherever You Abide!"

The reward of service and love is in seeing this planet emitting more light, seeing Its peoples resuscitated, their spiritual natures express through their flesh and everything in, through and around the Earth giving forth the music and harmony of the spheres until the planet Earth takes Her rightful place in Our planetary

system as a magnificent jewel of light as She was designed by Helios and Vesta, and as She was in turn blessed by the Directors of the Forces of the Elements and All Who have served throughout the many ages to sustain Her.

Today, beloved ones, all over the Earth people are honoring the Resurrection Spirit....they are honoring the Spirit of the Christ as manifested through My Lifestream. Today I ask you to direct that to and through them, the realization that what I have done everyone of these blessed ones shall and will do, and they must make ready now in courtesy to their Lord to allow this externalization through them of their own Divinity. I ask you in the name of love and of light to CHARGE into the feelings of the people the realization that WITHIN THEIR OWN LIFE is the same power by which I did resurrect a physical form and finally ascended in the presence of several hundred people.

Dearly beloved ones as We send forth the Resurrection Flame from the Resurrection Temple... as you contemplate It.....as you breathe It in and feel Its exhilaration. Let It be a permanent part of your world....quickening you every time there is a tendency to return to habits of depression, exhaustion and depletion. Step right within the heart of that magnificent opalescent Flame, right within the heart of My Own Luminous Presence or that of Beloved Mother Mary and FEEL the charge of the quality of the energy of your feelings, in your minds or any member of your physical body -- and organ or cell that for some reason has gotten out of alignment -- and thus you can do by Grace what is so much harder to do by effort of will! When healing comes through Grace, it is permanent and it is sustained. When it comes by the effort of the mental body alone

--through will -- as soon as that mental pressure is removed, unless the cause and core of distress has been dissolved, the condition appears again.

Accept now that there is a Power right within your beating heart, and that Power connects you with Myself, with My Mother, with your Beloved Saint Germain, any one of the Ascended Host, the Angels or the Archangels with Whom you have an affinity and the very moment you turn your attention toward Them, silently or audibly, you are WITH THEM and THEY ARE WITH YOU.

The instant Our Names are breathed, the instant Our Image is thought upon, the instant any activity which it is Our privilege to give IS INVOKED there We are rendering that service and assisting you. Come to that realization of ONENESS of the Celestial Realm with the human, the ONENESS of the Divine Beings with your own Christ Flame, and entering deep within that Inner Christ, feeling the fullness of Its magnificent Presence ---you can have freedom, FREEDOM NOW -- even as We are here to bathe you in the glory of the Kingdom, the Kingdom wherein dwell every Being Who has learned to govern His energy and to sustain harmony and not break the peace!

Beloved ones, that power is My Power to give ...It is your power to draw forth from your own Christ...the power to see, to think, to accept, to call forth the Immaculate Concept from within every lifestream that you contact and It will respond in an ever expanding radiation of perfection through such an one if you can keep your human mind and senses from recording and accepting an individual personal concept rather than God's Concept which is perfection. I know it is difficult when you wear garments of flesh and

you see certain idiosyncrasies of the human nature to hold a concept of perfection for all the life with which you are surrounded when you try to do it through will; but if you will turn your attention to Me, to the beloved Gabriel, beloved Mother Mary, any of those Beings Who are particularly concerned with holding that Immaculate Concept in the inner Realms, We will help you to see your fellowman as God intended him to be. That does such a tremendous service for the Holy Christ Self of such an one and helps to anchor more and more into the feelings, the thoughts, the etheric consciousness and the very structure of the flesh, the Divine Pattern and Plan which shall be externalized through that lifestream.

VICTORY IN THE LIGHT FOR ALL LIFE

Beloved, I salute the Immortal Victorious Three-fold Flame within your hearts, which is the activity of Resurrection in all life! Friends of My Heart, since the Dawn of this Day, when the first hosanna and song of rejoicing permeated the atmosphere, the Resurrection Flame has been blanketing this Orb with the most magnificent and triumphant radiation.

The vibratory action of this Earth, "I AM" grateful to say, is on a much higher level than it was a year ago. This is due to the illumined obedience of the chelas in their desire to add to the Light of the World by cooperating with mighty Helios and Vesta in this redemptive process in channeling the Light from Venus into the Earth plane. Much of the effluvia is being removed and "I AM" sure when you have been prompted

to look to the heavens in the evening, you have noticed that the Stars appear to be shining with a greater brilliance. It is not that the Stars have changed, but this is the result of more of the veil of maya having been transmuted.

A moment's reflection will tell you that the process of Transfiguration is taking place with great rapidity - much more accelerated than We of the Hierarchy thought possible. So you see, beloved ones, your illumined obedience has played, and will continue to be of great importance in the redemption of this blessed Earth. Your lifestreams are coming to flower through your cooperation in this magnificent service.

As the jeweler's art removes the dross or outer covering from a precious stone to bring out its perfection, a parallel activity is taking place in the lives of the chelas as the encasement of human creation in your lower vehicles is being transmuted by the Divine Alchemy of Transmutation through the use of the Sacred Fire, As the Earth straightens Her spine (axis) and is emerging with dignified mien, how interesting and gratifying it is to Us to see the Jewels of Light, which are comprised of the dedicated energies of the chelas, shining forth from this heretofore 'dark star'. Truly are the Rainbow Rays of the Will of God being emitted through your obedience and cooperation and to those of us on this side of the veil, Who are accustomed to enjoying and being Perfection at all times, this merging activity, and one which will be sustained, is one of celestial beauty.

When a Cosmic Edict goes forth, that Command must be obeyed to the letter! The Great Ones,

responsible for carrying the Pattern to completion, always endeavor first to get the cooperation of those chelas with whom They have the privilege of communication, and who have been instructed through the years in preparation for the hour. When this cooperation is obtained and carried out, We are not required to bring about the Divine Pattern through measures which result in catastrophic action. All is accomplished with scientific precision and when the Final Command is issued, it must be obeyed and the Earth must be ready AT THE INSTANT GIVEN to journey in the forward procession and progression of the Planets. This is Spiritual Law!

We, of course, are filled with the deepest gratitude when We know the chelas have advanced to the point where they realize their responsibility and cooperate with Us. Naturally, you can not rest on your laurels, for We are engaged in a most momentous reclamation process, where constancy of service and diligence are paramount. Much, much devastation which would ensue through imperfect Causes which have been set up through the centuries, can and will be averted through your collective action with the Spiritual Hierarchy. So, deep within your beings, feel the Love which We pour to you for being active participants in the Forward-push which is now taking place.

As the parents of a child are filled with deep love and gratitude when they witness their offspring develop and mature in beauty of being and expression, so it is with Us as We are privileged to see the flowering of the buds which We have nourished with Our Radiation and Instruction through the years.... There is indeed cause for great rejoicing in the Inner Realms for what the faithful ones, under our Guidance, have accomplished since last We celebrated Easter Day.

As We look upon the Divine Pattern for the Earth, and for each of you, the accomplishment which has taken place, and some times with great suffering, is of great magnitude.

"I AM" come this day to stimulate you to even greater accomplishment through the knowing feeling, that you are expressing Illumined Obedience to the Cosmic Fiat. We, the Teachers of the Race, are responsible to the Cosmic Law for the efforts of Our pupils. You have indeed done well - BUT tarry not here and bask in the knowledge that you have cooperated - that cooperation must be constant and be even greater in order that the fulfillment of the Divine Plan take place within the allotted time given Us by the Solar Lords and Their Superiors.

ONWARD AND UPWARD INTO VICTORY IN THE LIGHT FOR ALL LIFE! Your harmonious and powerful energies are requisite to this Accomplishment!

Our hearts are grateful in the extreme, for the pattern which has been set these many years of Sunrise Services on Easter Day. This permits the continuity of action on a larger scale to take place. The worded and silent expression that comes from the hearts of the people, the songs and prayers of gratitude, and the exquisitely beautiful musical renditions afford the Angelic Host the greater privilege of raising and directing the glorious purified energy -- to the Heart of All Creation!

Before closing, I wish to give you an illustration of great importance, and wise is the chela who realizes the opportunity set forth. The changing of the thoughts and feelings of the

people in a few short days (Good Friday to Easter) and the resultant radiation which has emanated from their beings is an adequate example that Perfection exists at all times and it is only your qualification of energy which propels into being that which you desire. I wish to forcibly bring this to your attention, oh beloved children of The Father - for the Divine Pattern - the Immaculate Concept - is possible of attainment for you and all life when once you can tenaciously hold to the Plan that Perfection can manifest and be sustained, and knowing and accepting this Truth, you graciously kneel at the feet of The Christ within and turn over the reins which the human has held, to the Directing Intelligence of Perfection!

Blessed and so loved chelas, ecstasy and bliss surpassing worded description is the God Way of Life. Enjoy and be the outpicturing of The Christ in your every day life at all times! It is so ordained, and in the knowing feeling that one is obedient to the Will of God, is a state of being worth every effort which may be required on your part. I KNOW, for in that Living is Happiness Supreme! Learn to lend every pulsation of energy flowing from your beings to become THAT "I AM"!

I lovingly enfold you, as does that exponent of Love and Obedience - My Beautiful Mother, in Our Momentum of the use of the Resurrection Flame! Use this Gift of your Freedom!

THE PATH OF GRACE

Centuries ago, I gave the Message to My Disciples to seek the Kingdom of Heaven first, and through harmony, God's Gifts and Powers would be given unto them. This is an eternal Truth and is just as necessary today - even more so that it was then.

One must learn what the Grace of God is. When one dedicates himself to the Service of expanding the Borders of God's Kingdom on Earth, he must endeavor to follow the Path of Grace. That Virtue is so beautifully embodied by the Maha Chohan, the representative of the Holy Spirit for the Earth, and you are well acquainted with the magnificent expression of Grace through our Beloved Holy AEolus, Cosmic Holy Spirit.

We know, too, that the consciousness of mankind has accepted and identified the Holy Spirit as One of Grace. It was the Holy Comforter Who came to baptize Me, through the assistance of Beloved John, the Baptist. I was required to give a physical and visible manifestation by stepping into the Waters of the Jordan as the Holy Spirit performed that Sacred Rite. The mankind of Earth who are now courageous followers of the Directives of the Spiritual Hierarchy in the Seventh Ray Dispensation are required to so purify their vehicles that the Spiritual Baptism can take place within their own beings without others witnessing any physical act. As in My own Experience, when one has become the Spirit of the Living God within, Baptism takes place, since the acceleration of the consciousness and the outpicturing vehicles has been accomplished through tuning in and actively taking part in the purifying process of the Sacred

Fire now released in this more advanced Dispensation under the Direction of Our Beloved Saint Germain.

I would counsel you not to cling to the more physical aspect of Truth of the Christian Dispensation in regard to disciplines of the flesh. It is the disciplines of the inner bodies - emotional, mental and etheric which accomplish that which you are endeavoring to manifest through the flesh form. When the lower inner vehicles are purified, through the Sacred Fire, of the appetites of the human, the physical garment will naturally express that which is held in the inner vehicles.

Some chelas believe that they must emulate a certain prototype when actually that is not the Archtype of the Indwelling Christ. Whether you are short or tall in stature, thin or plump, your hair light or dark, the color of the eyes blue, brown, or whatever, is not of consequence in your Spiritual evolution. It is the emerging of the Christ which counts. When one strives, through outer free will discipline, to accomplish a picture which he may have of himself, he is perhaps unconsciously, endeavoring to put forth a concept which he holds in his outer consciousness for men to see.

Blessed and beloved ones, the Law of Balance is in order and not indulgence in excesses of any kind at any time. Please listen to the counsel of a good Friend of yours, My humble Self, when I admonish you to enter more deeply into the process of further purification of your three lower inner vehicles, and the appetites of the

physical structure will become accelerated spiritually to a thirst for righteousness which will be assuaged by the Indwelling Christ and you will proceed along the Path of Grace, where the perfume, not only of the flowers in Nature's Garden, will raise your consciousness unto greater heights, but every living being upon this Earth will reveal to you the exquisite perfume of The Christ within. Then like unto the Cosmic and Ascended Beings, the human deficiencies of the other fellow will not become a distraction to you, but you will, in joyous obedience to the Law of the Truth of your being bless all with whom you come in contact. Truly then will you become Light Bearers - as The Father intended.

You have, perhaps, noticed that during My Ministry, I referred to "The Father", and in the Seventh Ray Dispensation, "The Father-Mother God" is frequently used. Either Designation is correct, because the "I AM" Presence is the All-Encompassing One, the Supreme Source of All.

The Mother Principle, the attributes naturally associated with the Feminine Aspect, Divine or human, brings the feeling nature to the fore. During My Dispensation, the mankind of Earth were, in the main, not ready for the designation of "Father-Mother God", for they had not reached that state of consciousness which could have accepted the Truth of Oneness. At this hour, the more accelerated and advanced consciousness knows that God, the "I AM", is All -- that there is no separation, and that the manifold Virtues and Gifts flowing from the Supreme Source through any particular facet energizes it with the qualification desired or required.

If you will permit another personal allusion, in the case of My humble Self, "I AM" known by many Names, and each reference brings the same quality of My Love and the Gifts which it has been My privilege to dispense for the benefaction of all life. I wish all the chelas to pay particular attention now -- to what I have to say in this regard.

The Earth and all Her evolutions, as you know, are in a tumultuous state, and as a result of the many uprisings in all fields of endeavor, more and more individuals are turning to God for assistance. Out of this revolution, so to speak, man will raise his consciousness to the expanded Truths. In this process, those particularly associated so closely with the Christian Dispensation, will cling to Jesus, The Christ. It is the compatible feeling they have with the Name "Jesus" and the strength which it brings, which is and shall continue to be a magnet to draw them into the Higher Teaching, the more advanced Aspects of the Spiritual Law.

There are many awakenings taking place and these individuals shall be brought to the Feet of Truth for which their blessed hearts yearn, When the Cosmic Law sounds the note, all shall know Me by My Inner Cosmic Name and there shall be One Flock and One Fold.

I now enfold you and all life in the feeling of Victorious Accomplishment in the Light, raising you to your True God Estate.

THREE GREAT FLAMES

It is not numbers but quality of consciousness which determines the efficacy of the Power of God released.

Beloved ones, experiment now with the realization that the changing of the quality of your energy means the connecting of your light with the Ever-Present God which is all health, all beauty, all supply, all harmony. There is only one Power that conducts energy into your world and that is the quality of feeling. The control of your own energy so that any instant it connects with the full power of God, makes you master. It is the exact same application which I used, and which made Me a conductor for seeming miraculous power. The meeting of the vibratory action of My own energies with the Ever-Presence of God and then the connection of My energy through the mental and feeling world of the supplicant, raising their energy to a point where I might conduct through Myself into them the specific requirement of the moment, is the Law -- scientifically, mathematically accurate. There was nothing mysterious, nothing occult, in this service and there were no special powers endowed upon Me! You are conductors of energy--consciously or unconsciously. You are either short-circuited, living in a world of separateness, or you are in tune and in harmony with the Infinite Ever-Presence.

Have you contemplated recently the phrase you use so freely, "Beloved Presence of God!" If the Presence of God is with you -- where is the appearance which seems to limit? Please ponder upon these things!

Three great Flames I used in My ministry --- Flames and Activities of the Sacred Fire which were given to Me by My Teacher, which enabled Me to control the energies of My world. The first was the Resurrection Flame, which quickened the vibratory action of My physical and inner bodies making each tiny electron, spinning around its own central pole, move more rapidly and throwing off the vibratory action of earth, connected My vibration with that of this Ever-Presence. Second, the Flame of the Transfiguration, enabling the Sacred Fire within Me to expand more powerfully than the atomic pressure of the outer world; and Third, the great Ascension Flame which, surging through My physical, mental, emotional and etheric bodies, carried the energies of My world upward into connection and contact with My own Christ Self --- and the Father-Mother God of this universe. Those Flames are still in existence. They have grown and intensified in power in the thousands of years since I availed Myself of their presence. You, beloved ones, have opportunity now as you enter this brand-new shining year to use the Resurrection, Transfiguration and Ascension Flames to make of your energy a harmonious conductor of the gifts and powers of this Ever-Present One.

We stand at the threshold of new opportunity. The peoples of earth have been bathed in the Violet Flame of Mercy and Compassion. Every mistake and error that has been committed without definite intent to do wrong has been melted and consumed, cause, effect, record and memory. Your inner bodies and your flesh are lighter this day than they have been since January 1st of the preceding year. You have less of a pressure upon you, so avail yourselves before you begin to weave anew. Avail yourselves of the

inner freedom which has been yours through this mercy and through the grant of the Karmic Board which has melted so much of the human veil, enabling you, if you choose, to realize the Ever-Presence of your God and the Master Powers of the universe.

Have you thought that you and I both stand today at the same threshold? Each and everyone, Ascended and unascended, applicants to the storehouse of the universal, drawing the same light, facing the same opportunity to qualify energy! What shall you make of your days, your months and your years? We are dedicated to making of Ours the externalization of the Kingdom of Heaven and the Glory of that Father. You are dedicated in spirit to the same service or you would not be here present with Us this hour. The simple, homely illustrations that in the manifestation of control of your energy in the harmony of your feelings is your connection with the Cosmic Power of God the Father, or any Perfected Being, should give you a feeling of comfort and mastery that you are NOT alone, except as you short-circuit your own personal life through discord.

There is no life outside of yourselves that can maintain the control of your energy because free will is your gift from the Universal First Cause, but if you choose to maintain and sustain a vibratory action through your feeling world that connects with the Kingdom of Heaven and its inhabitants, at any instant Our Powers and Gifts are yours, and through you may be conducted into the lives of others.

MY TRUE IDENTITY

Greetings, My Friends, "I AM" He whom you have known through the ages, through the Christian Dispensation unto this day, as Jesus, the Christ! I salute and I bow to the glorious Christ in each of you, My co-servers in God's Vineyard on this Earth!

Now please, blessed ones, withdraw your consciousness from anything that is of the human... a human personality or trait of any kind. See before this lectern a glorious Cross of David in scintillating White Light and flashing from every point the blazing Blue Flame of God's Holy Will and Protection. See this magnificent Cross expand until the whole podium is within Its embrace.

Today I have the great honor to say that Our Beloved Holy AEolus is standing here to My right and to My left Our beautiful Sanat Kumara. Beside Holy AEolus is Lord Confucius and to the side of Sanat Kumara, Lord Lanto. Standing directly behind me is the Mighty Archangel Michael, My Cosmic Father - Glory be to His Holy Name!

This is truly a Cosmic Moment and before I tell you that which it is, I would like you to visualize Our Great Lord of the World Gautama Who is in the atmosphere over Long Island today, with the Mighty Light of His Causal Body completely enfolding this Island. Behind Him see a glorious Pathway of Light for on this day, at the Cosmic Edict of Beloved Alpha and Omega, We have a Representative from every Sun in this particular System. This Channel of Light has resulted from the Radiation of Their Beings as

They travelled Earthward. Think....We have an Envoy from every Planet in this System! Do you know what this means? This signifies a unified activity, and "I AM" here today to reveal to you My true Identity: "I AM" MICAH, ANGEL OF UNITY!

I have come this day to tell you that I am taking up residence at Shamballa to continue My Service of Unity, and the pulsation for this activity begins this moment ---- the unifying of all the Religious Activities on this Planet.

I do not infer that they will all be of the same nature because We need the diversified activity of the Seven Rays, but every blessed Spiritual Activity shall, from this day forward, feel the pulsebeat from My Heart, from Holy Shamballa!

Now I have something very interesting to tell you...as of this day, Beloved Lord Lanto (July 1970) will serve as I did, in the capacity of World Teacher and Beloved Confucius will be Chohan of the Second Ray.

I know you love these Blessed Ones with all your hearts, for all They have done for you in this embodiment alone. O, send your great love to Them, and pledge your dedicated service to these World Teachers.....Beloved Kuthumi and Beloved Lord Lanto.

The pulsation begins today for the raising of the vibratory action of Long Island to the point where She will begin to take her place in this System as the "Holy Isle", and the physical Shamballa will find its activities accelerated and WOE TO HIM OR TO HER who enters the Portals of Shamballa with anything destructive or of a sinister intent in their beings!.... for at the

new entrance stand Lord Michael's Legions blazing Their Light, and from Beloved Pelleur's Kingdom in the center of the Earth, rising into the atmosphere to meet the Violet Fire from the amphitheatre over Long Island the Mighty Violet Fire will intensify, intensify and intensify on this property, as Lord Michael's Legions enfold it in the Holy Protection of God's Will! And, blazing from this Central Focus of the Spiritual Hierarchy will be the glorious Ascension Flame, which I used, which all of you must one day use to gain your Eternal Freedom!

Oh, children of the Light, I love you, each and everyone! Hold firm to that Love..I will keep you in the embrace of My Heart as I have done all through this embodiment and always remember that Micah, Angel of Unity, is drawing you all together so that there will be one great Heart Flame, and every time you decree in a group, or sing in a group, or talk one with the other, be there just two of you or a multitude, I say remember the UNITY OF PURPOSE - Unify Yourself with the Christ within and Christ Light shall encompass the Earth!

Now, My beloved ones, I think that I have given you sufficient food to digest this morning and I now bid you adieu! GOD BLESS YOU!

HOLDING TRUE TO A CONCEPT

"I AM" come this morning to blaze and blaze and blaze the feeling of acceptance which I know is Real, for did I not have the privilege of giving mankind a manifest example of that which could be accomplished and must be employed by all mankind now or later!

Children of God, I entreat you to be about The Father's Business in expanded activity so that you can be examples of the resurrection of the Perfection which you once knew, and be the wayshowers of those less privileged than you.

The time has long since passed when the 'faithful' as they are called, can just set aside the the 40 days of repentance and then expect to receive the realization or full meaning of the Easter Celebration. This was not just a pageant in the evolution of the Planet and Her peoples. The Cosmic Law in Its great Wisdom knew that the time had arrived when something 'spectacular' had to take place which would rouse the inhabitants of this Earth out of their ways of iniquity, and so it was ordained after passing certain tests at Inner Levels, to set the Example for the restoration of the God Way of Life on this Planet.

Before proceeding further, I wish to humbly and gratefully bow to the Light of My beloved Father, (Joseph - Saint Germain) and My holy Mother Mary and all who served with Us, enabling the Victorious Accomplishment of this Mission. The tenacity and one-ness of Spirit of My Earth-Parents was a tremendous lever, or raising Power in the fulfillment of this Mission. My Love and

gratitude flows to Them at all times.

I shall continue this Release in a very direct and meaningful manner, in the hope that some among the children of men will receive the illumination to resuscitate their own consciousness and vehicles to assist the mankind of this Earth. I came to set the Example for all men, in the overcoming of the human tastes and appetites. Consider then what has been accomplished by the the evolutions hereon, spiritually speaking, in the decades of time since the public event of My Resurrection! I bow My head when I think My Mission was of so little avail, judging from the appearances, the chaotic conditions, which are rampant on this Planet at the present hour!

I pray that I shall not have to descend upon the Earth as an EMISSARY of THE FATHER-MOTHER GOD in a tumultuous manner to awaken those who are spiritually inclined, and for the obliteration by drastic action the forces who are bent upon the destruction of any and all who have endeavored to the best of their present ability to hold true to a Concept, God-given and God-directed!

Now, holding true to a Concept is not just the intellectual entertainment of a Vision. The out picturing of the Concept, individually, is Victorious Accomplishment. And that is the purpose for which We of the Spiritual Hierarchy have released Our energies to the chelas these many years. And, We are held accountable for the balance of these energies through the lifestreams who have been the recipients thereof. Thank the Merciful Father, We are in the Age when the Violet Flame of Transmutation and Love is the predominant and significant radiation bathing the Earth, otherwise She would have little hope for the

externalization of the Perfection which has been ordained.

I come not to alarm you, but prod you on to further application of the Law at this crucial time. If I were to tell you that there was just so many days left for the redemption of the Earth and that you would be called to the Karmic Board for an accounting at the end of that period, I believe, like the drowning individual holding to a raft, you would be so spurred on to decreeing at every available time for the redemption of the Earth and Her evolution.

Awake! Oh children of Light, -- You can save this Earth by your constant and steadfast adherence to the Directives which We give you, through your application thereof!

There are many chelas who at the present time seem concerned as to what is going to happen to them, individually! - As we proceed with the necessary evolutionary changes! Ah, precious ones, I humbly admonish you to forego such consideration of the little self! We of the Spiritual Hierarchy have been stating, and stating, over and over again, the necessity for becoming The Christ in action at all times, and We will continue so to do. When one is dedicated and determined to carry out the instructions of the Cosmic Law, he surely realizes that there can be no separation in Life, that all is one mighty Composite of the Father-Mother God's Creation, the heart beat in the physical vehicle being the stepped-down vibration of the Heart of the Cosmos.

And there is a point which I would like to clear up in the consciousness of some at this time -- A few wonder why We heretofore referred

to the lower four expressions as 'bodies' and now call them 'vehicles'. For this very simple reason that a body denotes a certain density, and a vehicle, while having a degree of density can be a conductor of Light without necessarily conveying density or weight. Since the consciousness of the majority has advanced from that of students to that of chelas, each should now have progressed from giving so much power to the four lower bodies, for they should be vehicles of Light and the Radiations thereof, I trust this clarifies that question.

Another matter which has given the chelas some consternation is where they should be physically located when Cosmic Changes do take place! There is no safer place, or haven, than right where you are at the time, provided, of course, that you do not clothe yourselves in the insidious activity of fear, and know, with conviction, that The Christ Presence right within you, is the Isle of Serenity and Protection. So anchored, you are safe at all times. There is no reason for fear or depression of any kind when one accepts, and knows, he is a Child of God, an Emissary of the Cosmic Source of all Life, come to Earth to fulfill a Mission.

Oh how I pray that there will be those who have hearts and ears to hear, and that includes all mankind who are truly seeking the way back Home, that they may henceforth be Emissaries of Light, Beacons pointing the way for others, so the less fortunate, and I say this because through their own free will, they have not been wise enough to choose the Path of Light, rather taking the by-ways of darkness and degradation!

How beautiful the music and songs of praise

and adoration to The Father-Mother God, in Whom "I AM" but one Cell in that Pulsating Fountain Of Light and Perfection! Today may be likened to a Truce of Light, and while some forces of imperfection do exist, they are not as rampant as when the thoughts of the people of Earth are not raised Godward through the Resurrection Consciousness which is enfolding the Planet.

My dear ones, ... I must point the way for you, and thus I have endeavored to do today, and be assured that every word I have spoken is clothed in the Light of the Cosmic Source of all Life, and only Perfection and Victorious Accomplishment should be the result thereof! This can be - for you right now, for all mankind and for the entire Planet, according to your acceptance thereof!

In all the Divine Love of the Buoyancy of the established momentum of Victorious Accomplishment in the Light, I draw you close to My Heart and bathe you in the Feeling of the Resurrection Flame.

THE ASCENDED MASTER CONSCIOUSNESS

The Consciousness of the Master, like a great effulgent Sun of Light, is constantly and continually radiating in the Universe to which He has dedicated His Life Expression.

The trend of the Master's Consciousness follows His own particular Cosmic Service, but within that great Illumined Awareness of all Good is the specific and potent quality which identified Him among all the God Virtues as an

exponent of Beauty, of Peace, Purity, Happiness or Freedom.

As the Light of the Sun floods the portion of the Earth particularly blessed by Its Presence during a number of hours in each twenty-four hour cycle, so does the ever-present Substance of the Ascended Master Consciousness flood forth universally on 'the just and unjust alike'.

We will see, therefore, that the Great Reservoir of God's Substance represented by every Ascended Being is ever-present. Man in the unascended state may aspire toward union with this Cosmic Consciousness, and in the very act of aspiration will he then connect with the Divine Cosmic Impetus of the Being towards which his thought or feeling has risen. There is no unascended being therefore who need dwell in outer darkness, for within every heart is the capacity to aspire.

Aspiration is the longing in the heart for greater understanding, peace, health, or any of the numerous experiences that the outer consciousness would like to manifest and express. Aspiration rises within the heart by reason of privation, suffering, ambition, discontent, as by mercy and devotion of the evolving peoples of Earth, and the desire of the unselfish heart to ease the burdens of the world.

Whatever the cause that sends the spiritual aspiration Heavenward, the natural effect is the drawing of the Ascended Master Consciousness back toward the heart from whence the initial wave of aspiration has risen. It is said that man receives according to his capacity to aspire. Let, then, the hearts of mankind be constantly

moved toward aspiration, and let the wise see that even suffering, disillusionment and pain, when they probe the inert soul toward aspiration, are instruments of God.

There is a great Celestial Being, whose Presence has ever enfolded every neophyte upon the Path - the Goddess of Aspiration - whose Spiritual Breath has stirred the coals and embers of the heart, keeping hope burning and ever prodding the heavy-eyed outer consciousness toward effort by the upreaching requisite to Cosmic return.

In My Service to Mankind, I have walked with the Goddess of Aspiration; and many hearts who have the breath of Her Spiritual Fire kept their soul search pointed Heavenward, that I might return on the wave of their own call to bring the Peace, Illumination, and finally, their Freedom in the Light.

Blessed chelas, invite this Beloved Goddess into your Heart and Consciousness and call that you may radiate this glorious feeling of God Aspiration to all who may pass your way.

THE EVOLUTION OF THE SPIRIT

Beloved Friends, come with Me into the glorious consciousness of THE CHRIST; permit that Christ to take over your four lower vehicles; feel that beautiful, rhythmic pulsation which is God in Action!

Every man, woman and child has God within and those Who allow the God Principle to flow through them express the Christ which, of course you know, is not the individual's outer consciousness, but refers to him, not as a separate entity, but rather expresses that part of Life which allows the Godhead to flow forth freely in active expression. The expression of the Christ in the world of man is the Holy Spirit, which all must one day become.

I became aware of the God within Me when I was scarce two years of age, because in all My outer actions there seemed to be an impelling force apart from My conscious self that directed My actions along constructive lines. Knowing that this Living Presence that dwelt within Me was yet apart from My personal identity, I began, as soon as the Earth Law would permit, to seek the understanding of this propelling power.

Every man, woman and child must one day cultivate and draw forth this impelling force, although the average man lives so constantly in the little self consciousness that the Christ Power is dormant and exerts no influence on the outer actions of the individual. The more awakened the lifestream through previous embodiments, the more alive is this Inner Presence and the greater is Its influence on the outer consciousness.

There comes a long, painful period during which the Inner Powers strain for ascendancy as the outer consciousness retains its hold upon the Temple. He who carries the awakened, breathing Christ within his breast and has not yet learned the secret of surrender is the most unhappy of mortals. I know what it means for I

carried this pulsating God Power through every known channel of learning, hoping that its thirst might there be quenched and leave Me in peace, and that I might be given some magic manner in which the outer man would be subdued.

It was in a Retreat in Arabia that I learned of the evolution of the Spirit. I had known of the evolution of the body, but had not been taught of the expanding, evolving Christ. Then became clear to Me the words of John, called the Baptist - "I must decrease that Thou might increase." I knew then that the words referred to the personal self in relation to the Divine Identity, and when My mind and heart were set at peace from the thought that I might be obsessed by evil, I began in earnest the cultivation of the Christ and in the growth of Its Ascending Power, It began like a warm cloak to expand from My breast through My limbs and head. I shall never forget the day when, sitting in a cave in Tibet, the Christ took full command of the flesh form and the struggle was over.

Such a battle is in progress today in the world enmasse - the more awakened the Christ, the stronger the pain, but let it here be understood that self surrender and comprehension are akin to Peace. Our Beloved Saint Germain has said repeatedly "there are only two activities of Life - if the Inner does not govern according to Its Divine Plan, the outer must." Thus the more you permit the Christ to expand by dwelling within the Higher Consciousness through the surrender of the little self, the more will that Christ grow to full stature and you will then be the Christ in action at all times.

When you serve the human of your self and

others, you give strength to the opposition, and in either choice no man may say you nay. Mastery is not for weaklings but for the strong!

During My Ministry, in the embodiment of Jesus, I came to bring 'Grace' to the peoples and they received Me not. So it has been from time immemorial - and those who carry the Grace from the Higher Octaves find their gifts unhonored and unused, - yet now - some two thousand years after My Earth Ministry, the sweet essence of the Grace I brought, still covers the Earth, and with each passing season grows stronger and more potent in the Loving Charity intermittently expressed through the hearts of man. Thus it is with the Heavenly Gifts, they grow in power and sweetness through the years, and so will it be in your experience, My beloved ones. Remember always, the joys of Earth are fleeting, but the Treasures stored up in your Heavenly Consciousness endure and expand for eternity. May your hearts know the inner meaning of the Grace of the Holy Spirit which is alive within you, waiting always for expression through your lower vehicles to enrich the consciousness and lives of all that abide on this sweet Earth.

AN ADDRESS BY MICAH - THE ANGEL OF UNITY
(New Year's Eve 1974)

"I AM" Micah, and it has been my great privilege to have been enfolding the peoples of Earth in the Feeling of Unity all through this outgoing year, preparing Me for the activities as One of the Sponsors for Nineteen Hundred and Seventy-five.

We have witnessed much progress in the consciousness of the chelas this year, and for this cooperation with the Spiritual Hierarchy We are all extremely grateful. Nineteen Hundred and Seventy-five will be a year of tremendous God Illumination as the Truths held in the Consciousness of the glorious Pallas Athena are released to the chelas and other dedicated lifestreams upon this Earth. You can anticipate a very active year, - not in the sense of rushing about, but of learning the art of the Silence.

Oh, - the busy, busy mental body which does not become still enough to get the full import of the Truths which are released. It is not sufficient to listen to or read the God Illumination which comes forth, - but it is essential that one go into the Heart of his being, and in that Spiritual Throne Room to feel the love of Beloved Paul, the Maha Chohan, a Co-Sponsor for the year. In the Radiation of Beloved Paul, you can become better acquainted with all the Kingdoms, especially the Nature and Elemental Kingdoms, - for a kindred spirit MUST BE FELT WITH ALL LIFE.

Realize, My lovely ones, the animating principle of the Holy Breath, without whose Elixir one would cease to be. Send your love always to the Beloved Maha Chohan for his encompassing service to all life...truly the Holy Comforter to all who seek His Radiation. While the Maha Chohan's Radiation and love is ever-present, the power of your attention provides a current upon which His greater blessings may flow to you, and through you to all life.

Dear ones, We are lending every assistance permitted by Cosmic Law to bring about the Christ

Consciousness for all mankind, especially the chelas who, having a knowledge of the Spiritual Law can assist their fellow travelers. I humbly counsel you to really learn what the Great Silence is, - not only will you be benefitted, but you will be in readiness to accept the Cosmic Truths which are about to be released.

Many years ago We stated that if one wishes to reach a certain destination, the quickest way to get there would be to take a direct route, and not a longer course of many by-roads. In so doing one uses much fuel, similar to traveling by automobile, and in like manner the fuel or God Energy used in going hither and yon could have been used for his own spiritual progress.

The enlightened chela will bend the knee of the human, - and permit the Holy Christ Self to steer his spiritual craft safely through the turbulent waters of human effluvia to the Other Shore, where the Crown of Victorious Accomplishment awaits him.

When one is firmly anchored within the Heart of his being, his energy is released from the Spiritual Source and his service is more effective because it is not qualified by the human and goes forth on the Beam of the Light of the Christ. As it travels to its destination it becomes amplified by the Christ Consciousness which flows throughout the Universe having been generated by the Cosmic and Ascended Beings and those other dedicated individuals who have found their way into the Heart of the Silence. Then a true chela can greatly assist the Spiritual Hierarchy in the restoration of the Planet. In that Silence, - or listening grace, he provides a cable over which the Blessings of Heaven may

ride to purify the Earth and add to Its Light, even though he utter not a word, as the Oneness with his Christ Self joins with the Christ Conscious of all.

I am repeating statements which have been given many times, but which have not yet been truly accepted by most chelas. Mind you, My Beloved ones, when We speak We do so with a purpose, - and at this crucial hour in the Earth's evolution, it is imperative that We receive even greater cooperation from the chelas in whom We have invested...God's Holy Energy...through the years.

I wonder just how many can set aside their humanso that when called upon, We will have chelas equipped with the Armor of God's Holy Light in order to face the days ahead.

I most emphatically state.....that Nineteen Hundred and Seventy-five will be a year of action. One in which the Spiritual Hierarchy will present instruction which will prove to Us, without a question of a doubt, those individuals who are really worthy of being called 'chelas'.

Raise your consciousness out of the mire of the human, dear ones, and don the Mantle of Truth. Dedicate your energies unreservedly to the Purpose for which you came to Earth at this time.....TO ASSIST IN KEEPING THE PLANET IN HER ORBIT so that the Cosmic Inbreaths necessary to move the Earth closer to the Orbit of Uranus will be taken without too many chaotic conditions becoming manifest all over the Planet.

Now.....listen very carefully. Since December 24th, the Mighty Helios and Vesta have been drawing the Planets closer to Their Hearts, and

it has taken until today to accomplish this, because of conditions unseen which have been endeavoring to interfere with this Inbreath. Praise the Powers that BE that the Light of God and the perseverance of the Spiritual Hierarchy has enabled that Inbreath to be successfully accomplished at the time of the rising of the Sun this day, December 31st.

BE THOU READY FOR THE NEXT INBREATH....

BELOVED MICAH -- ANGEL OF UNITY

Micah, Angel of Unity,
Our heart's true Love we e'er send to Thee;
As Thy glorious Crown so bright
Enfolds the Earth in its Heav'nly Light.

Thou art Michael's blest Angel Son;
Ever through Thee shall God's Will be done
On the Earth as in Realms above -
Each one e'er pouring forth perfect Love.

Micah, Thou art the Friend of all
Who now sincerely to God do call;
Ageless, powerful, Thy Love, too,
Cuts all life free with Love's Sword of Blue.

Micah, beautiful Angel Friend,
Our worlds with Unity now do blend,
From the Heart of the Central Sun
We call Thy Pow'r 'til Earth's Vict'ry's won.

THE TRUE RELIGIOUS CELEBRATION
OF THE BIRTH OF BELOVED JESUS

I am He who came to Earth to specifically direct man's attention to the fact that all must, one day, become the Christ in action .

I came to Earth without the shackles of human creation which tie man's consciousness to the lower realms, and when I said that "greater things than these you must do" I knew that it would be necessary for man to loose these winding cloths of imperfection and burst the tomb of the lower self and stand revealed the Christ in action.

In the Year of Nineteen Hundred and Seventy-five I have the great privilege of being one of the Sponsors, and I shall go into intensified activity to bring mankind to the realization that they must bend the knee, and be the Christ at all times. This is the specific service of Micah Angel of Unity, and My dedicated and bounden responsibility to the Father-Mother God Who gave Me being.

I have, I believe, an important revelation to make, - one that has perplexed the Theologians and others for centuries, and that is the TRUE DATE OF MY BIRTH.... My entrance into the world of Form as Jesus.

Dear hearts of Light, according to your present Calender September the 8th is My Birth Date. At the midnight hour, My Holy Mother Mary brought forth My infant form. In some of the churches, December the 8th is celebrated as the Immaculate Conception - the Immaculate Conception in the body of the Lovely Mary of the Embryo of

Jesus. That Concept is true. It required nine months to bring My vehicle forth, for although I was 'free from sin' - I had to have a flesh form, subject, mind you, to the temptations to which an earthly garment is subjugated, - in order that I could prove to man that he could, and would one day have to raise his consciousness into that of the Christ.

Now some may say, "what will the people of Earth think of this change in their accepted thoughts of Christmas Day in December"? I say to you, many will be the Truths which will be revealed to you in the coming days, and any of you who will be reluctant to accept this fact will just require further purification of your mental vehicles.

Think upon this Truth...It is given to you in deep Love, and to take your attention away from the commercial holiday of December 25th. To a great extent, it is no longer a Holy-day, but one of rushing around purchasing gifts which have an outer world value.

You will find that more and more individuals will feel less inclined to rush hither and yon purchasing gifts for one another. Continue in your remembrance to your family and friends so that you will not set up resistance which you would have to handle. You will find ere long, that the Spirit of Christmas will be reborn, and a Holy Day come forth on September the 8th. Then will the True Gifts of Spiritual Blessings be given and the Wise Man will bring the Frankincense and Myrrhas did the Wise men of Old, that being the spiritual blessing of their Gift of God, not to the Infant Jesus, - but to the Cosmic Christ Consciousness as more and more learn their

true state of being. The Hosannas of Glory to God in the Highest will rise as the Harmony of man's being gives obeisance to the Supreme Source of all Life.

Anointing you with the Esence of the Cosmic Christ Consciousness, I AM....

MICAH, Angel of Unity
(The Master Jesus)

HISTORIC DESCRIPTION OF JESUS

By His contemporary, Publius Lentulus, who was the predecessor of Pontius Pilate as Governor of Judea. Excerpts from a letter to Tiberius Caesar, Emperor of the Romans:.....

He is a man of noble stature and of very beautiful countenance, in which such majesty resides that those who look on him are forced to admire him. His hair is of the color of a fully ripe chestnut, and from his ears down to his shoulders it is of the color of the earth, but shining. It is parted in the middle of the forehead, after the manner of the Nazarenes.

His forehead is smooth and very serene, his face free from wrinkle and spot, and with a light color. The nostrils and lips cannot reasonably be found vault with. The beard is thick, and, like the hair, not very long, and divided in the middle.

The eyes are like the rays of the sun, and it is impossible to look him steadily in the face on account of their brilliancy. He makes himself loved, and is gravely cheerful. His hands and arms are very beautiful.

In conversation he is charming, but he seldom engages in it; and when he does converse he is very modest of countenance. In presence he is the most beautiful man that could be seen or imagined; just like his mother, who is the most beautiful young person that was ever beheld in these parts.

In learning he is an object of wonder to the entire city of Jerusalem. He never studied at all, and yet he knows all sciences.

He wears sandals, and goes bareheaded. It is said that such a man was never seen or heard in these parts. In truth, as the Hebrews tell me, there never were heard such advices, such sublime doctrines as this Christ teaches; and many of the Jews hold him for divine, and they believe in him, while many others accuse him to me as being contrary to thy majesty.

It is acknowledged that he has never done harm to anyone, but good. All that know him and have had dealings with him say that they have received from him benefits and health.

Publius Lentulus
