THERE IS NO DEATH

PART I

THE LORDS OF KARMA

Situated in the lower Etheric Realms is the Great White Square Building which has been referred to by many as the "Judgment Hall", but which in reality is a Temple of Great Mercy and Love, known as the Halls of Karma. Through this Building passes every lifestream at some time after its release from physical embodiment, and through this same Building must every soul pass again before it is given its assignment into a new Earth body.

There is no lifestream that is not acquainted with the Halls of Karma, and it is often because the Sphere to which the soul is assigned because of its questionable activities in life that the individual has brought back a dread of "Judgment", and has incorporated into the various creeds the erroneous doctrines of the Wrath and Punishment of God, which is not true!

A thorough understanding of the Great Service, rendered the evolving souls upon the planet by these Mighty Beings known as 'the Lords of Karma', will take this fear of so-called death and judgment from the consciousness and

feeling world, and help the individual passing through the change called 'death', as well as his loved ones remaining yet on the Earth.

The Great process of evolution requires that the soul of man must express in a physical body and learn to master and control the qualification of his life energy in order to qualify for certain Spiritual Offices in the scheme of universal evolutions. Many beings never choose to embody, but for the sake of brevity, we will consider only these who voluntarily choose to assume physical embodiment, either as Guardians of the human race, or in order to gain experience and mastery of energy as a member of this evolution.

In order to regulate the entrance of souls into physical bodies, give them an opportunity to develop and mature on the Earth, and then release them at the close of a certain cycle to make room for other lifestreams awaiting a similar opportunity to enter the school room of Earth, a Board of Celestial Beings was created. The service of these Great Beings has been diversified and very complex for They are concerned with providing the greatest possible opportunities for each one of the ten billion souls who use our Earth to evolve to greater spirituality.

This Celestial Body is known as the Karmic Board, and Its decisions are final in connection with the disposition of the affairs of mankind, except in rare instances where petitions are placed before the Suns of the System, and 'dispensations' are granted to accelerate the progress of the race. The present Members of the Karmic Board are:

Mother Mary	Honorary Spokesman
Lady Portia	Goddess of Justice
Pallas Athena	Goddess of Truth
Kwan Yin	Goddess of Mercy
Lady Nada	Goddess of Transfiguration
Lady Alexa	Goddess of Liberty
Lord Shri Magra	Former Lord of the World
Elohim Vista	All-Seeing Eye of God
Lord Saithrhu	Great Divine Director

## THE MAHA CHOHAN ACCEPTS FINAL BREATH

At the moment when the soul is about to leave the physical body, the Great Being the MAHA CHOHAN, Who represents the Holy Spirit to the Earth, prepares to accept the final breath. It is He Who breathes the first breath into the body when the individual is born. As He accepts the final breath, the silver cord is severed and an Angel or an Ascended Master *awaits the soul* and escorts It to a beautiful realm for 'rest' which is the orthodox Heaven of mankind's general belief.

After a short rest, the soul meets with certain friends and loved ones, if they have not reembodyed. Then a Messenger of the Karmic Board comes with a summons to appear before Them.

We are speaking now of the average constructive individual who has developed certain God qualities and spiritual interests and so has earned individual consideration. The great mass of sleeping souls are in a somnambulistic state during the entire procedure and so are gently carried by Spirit Guardians after the mass judgment, to a suitable Sphere where they can be awakened. There is still a third group of spiritually developed lifestreams who have earned the special individual assistance of the Karmic Board, and of the few who are ready for the Ascension, we shall speak of in a future lesson.

## INSIDE THE HALLS OF KARMA

Approaching the Halls of Karma, you see the great high doors open wide. Groups of individuals are entering through the arched doorway under the guidance of Angelic Beings; the individual Spirits accompanied by Great Shining Beings of Light. These all join the groups ascending the

stairs toward the Door. As you draw near the Open Doors, you are overwhelmed by the great size of the Building and the long corridor that stretches before you as far as you can see.

### DIFFERENT ROOMS FOR DIFFERENT COUNTRIES

As you pass along the corridor, you notice door ways opening off the central corridor and over each doorway is the name of a country or nation, 'China', 'India', 'Argentina' and so on. Groups of individuals turn off from time to time from the main corridor and enter these small ante-chambers. They are awaiting the summons by a Messenger of the Karmic Board.

As you proceed the entire length of the corridor, you finally come to the great audience chamber and entering quietly, seat yourself just inside the door. Before you is a large chamber, not unlike the House of Commons in England, and upon the raised dais in front of the room are Seven Throne Chairs. The seats in the room are all occupied with individual souls, together with their Sponsors, or with groups of individuals with their Guardians and Protectors.

A great Angelic Being calls the name of each individual or group; they rise with their Sponsors and proceed to the front of the room. There the RECORD of the LIFE JUST ENDED on Earth is read in a loud and disconcerting voice by the Angel of Records. The Holy Christ Self of the individual reports on what the individual COULD HAVE DONE according to his natural talents while in an earth body. These two reports are compared - FOR THE MANNER IN WHICH THE SOUL USED OPPORTUNITY WILL DETERMINE ITS FUTURE ASSIGNMENTS.

We might say here, that opportunity is while you are here on Earth, it is too late to try and use it after you leave in so-called death. It is *here* that the CAUSES are set up, and it is HERE that they must be met and balanced. You must prove your mastery of the Life entrusted to you while in a physical embodiment. What you do here determines what takes place between embodiments as well as the opportunities that will be afforded you when you come back into another embodiment. Many souls have to be restrained when the record of its life on Earth is read before the Karmic Board when it sees WHAT IT MIGHT HAVE DONE to assist individuals and conditions while here.

It is your DAILY, HOURLY LIVING that builds either the distressing Karma, or the Crown of Light. You do not live on the heights all day of every day, but you get up in the morning and go through a day of various monotonous activities, during which time you are thinking and feeling something every moment. You can ask yourself, "How do I affect people?" "Do I bring out the best in them or the worst - do I make them happy and comfortable, or do I affect them so they are glad to get away from me?"

Be so grateful for a beating heart each day and the opportunities It gives you to gain mastery in your world. It has to be done sometime. When the Flame in your heart withdraws, it is too late. If you earnestly try each day to make the world a better place for YOU by living in it, and try to bring happiness into the world of some other part of life, when your summons comes, there will be nothing to fear, for you will know you did your best, which is all anyone can do, for it is a wonderful feeling to know, by having taken advantage of these many opportunities Life offers us to serve on this planet Earth, you have sowed the good seeds and by so doing you have made this a better world.

## JUDGMENT

Before judgment is handed down, any Member of the Great White Brotherhood may 'speak' for such a soul and offer to take responsibility for that one. When this is done, the soul is able to enter a higher sphere for instruction than he had earned by merit. When a Brother does 'speak' for such a soul, It is then taken to the proper schoolroom where it will learn the lessons it needs most to assist its evolution and progress. JUDGMENT IS NEVER GIVEN WITH A SENSE OF PUNISHMENT - NEVER - But is always done to give the soul the greatest possible assistance to develop the latent Light within the heart.

## PRAYERS HELP SO MUCH

This is where the 'prayers' for the 'dead' can be of such tremendous assistance for loved ones, because when you draw the attention of an Ascended Master toward that soul about to enter the Halls of Judgment, the Master will always either go in Person and offer to sponsor the soul, or He will send a Representative in His place to sponsor It and conduct It to the proper sphere where the Ascended Master will visit and assist in Its evolution.

It should be stressed that the Karmic Board *never* PUNISHES ANY LIFESTREAM. Any suffering that is experienced is the recoil of the distress he caused another, and he must REAP that which he SOWED! The soul thus learns to use his life in constructive activities.

If mankind could only realize GOD IS A GOD OF LOVE and everything is always done to make him happy and comfortable, even in the transmuting of his mistakes, he could relax in God's Great Love and hasten his progress tremendously.

The Ascended Master Kuthumi, or a Representative or Pupil of His, claims almost all those who pass from the body in youth so as to give them every assistance. The Ascended Master El Morya sponsors those who have been active in governmental affairs, even if they seemingly failed in their tasks. The Ascended Master Paul asks to assist those who have worked in endeavoring to bring and sustain Peace and Brotherhood. The Ascended Master Serapis Bey speaks for the artists, musicians, architects, engineers and builders of beautiful temples, cathedrals, cities, etc. The Ascended Master Hilarion speaks for the doctors, scientists, nurses and agnostics. The Ascended Master Jesus speaks for those who have served Him well in the orthodox channels; and the Ascended Master Saint Germain asks for the particular lifestreams who, consciously or unconsciously, have forwarded the cause of FREEDOM, whether from political, religious or mental and physical bondage. Thus it is well for each individual to have at least a passing acquaintance with these Beloved Brothers, so that when You stand before the Karmic Board (as every individual must do), One of these Beloved Brothers may say, "This child has served us well" and thus he may become your sponsor.

Many times the lifestreams of those who have been benefited by the soul in earth life, are called in to testify for them, and even members of the four-footed kingdom bear witness to kindness given them; all this is taken into account. It is seldom that a soul arrives before the Karmic Board who does not have at least one lifestream that has benefited in some way by reason of its embodiment on Earth.

After the soul is spiritually evaluated and his light measured, it is taken to one of the Seven Inner Spheres and under the direction of Beings particularly prepared to teach

him, he unfolds in understanding. This goes on for some time until his Guardian signifies to the Karmic Board that the soul is again ready for an opportunity to reembody.

The Guardians of the race and those highly evolved souls are usually willing to forgo much time in the higher spheres in order to 'hurry back' to help the race, so they appear with those who are to reembody. This many times accounts for the lack of physical energy in this embodiment of such souls, since they have forgone the period of rest which recharges the inner bodies much as a good night's sleep rests the individual on Earth.

### EXPIATION OF MISTAKES

The fear which most people feel in regard to the Karmic Board and the Halls of Judgment is builded primarily by the fact that so very few actually live up to their Light, to what they had the ability to do, and their remorse is their own judgment. When an individual stands in the freedom of the soul (the etheric body) and LOOKS BACK and sees WHAT HE MIGHT HAVE DONE, that feeling of remorse of what he COULD HAVE DONE while he had the opportunity and the means, and while he was in proximity to certain individuals of spiritual merit, that causes the suffering. The Karmic Board always assigns the individual to the particular school-room where he can best learn the lessons he will need to expiate those 'sins' of commission or omission, and prepare for a new earth body.

Each one is assigned to a certain amount of application to expiate their own destructively qualified energies. Each individual must look upon and dissolve the discordant thought and feeling forms he has created,

sometimes created many centuries ago. This is done by the use of the merciful Violet Fire.

The conscious student, after receiving certain directions from the Karmic Board, immediately sets to work at Inner Levels to expiate as much of his Karma as possible in his mental, emotional and etheric bodies. He proceeds to the realm assigned and goes to work with the VIOLET FIRE and renders the same service at Inner Levels that You have the privilege of using while yet here on Earth. It has to be done some time!

Certain Churches have called this experience 'entering purgatory'. It is not a place of punishment but the place where conscious expiation can be made of all the imperfections accumulated in the lower bodies. Thus when the soul is ready for a new Earth body, much of the Karma he would have to meet here, is already transmuted and he has greater opportunities here on Earth.

There are about ten billion souls using the Earth as a 'schoolroom' who must come into embodiment from time to time to balance their debts, but because of the tremendous accumulation of imperfect energy around them, only one-third of that number are allowed to embody at any one time. IT IS A GREAT PRIVILEGE TO TAKE EMBODIMENT and LIFE should never be taken lightly, for it is not easy to secure permission to embody, and for every three souls who desire to come back, only ONE is chosen at that particular time; so that for each one who is in embodiment, TWO OTHERS were denied that privilege.

In class activity, decrees from lesson #1 and #2 may be used here and appropriate music played.

## PART II

### PREPARING FOR REEMBODIMENT

After the Karmic Board has agreed to provide an opportunity for reembodiment, again the karma of the individual about to reembody must be examined and a suitable embodiment prepared, wherein a certain amount of his karma may be worked out and opportunities given to right the wrongs of past lives and gain merit. The karma meted out to each one is very carefully considered so the soul does not meet up with more than Its Light and strength can master in the coming life. The saying, "The Lord prepared the back for the burden", is fundamentally true, except that in mercy the soul is never given more karma than it is seen It has the strength to balance.

When the karma has been allotted, the environment and race chosen, the parents decided upon, then the soul is notified and the Body Elemental called from the rest it has secured in its own realms. The soul and Body Elemental are told of the forthcoming embodiment and the Elemental shown the etheric pattern of the physical body which the soul has earned. The Builders of Form, the Holy Christ Self and the Body Elemental then begin the actual preparation for the next embodiment so - the Miracle of Birth - may take place. And again THROUGH THE SAME HALLS OF KARMA PASSES THE SOUL ABOUT TO EMBODY ON THE EARTH PLANE ONCE AGAIN.

---

Even those who are Candidates for the Ascension, when they enter the Inner Levels and prepare for the Ascension, must pass through the emotional, mental, etheric and physical purifications of these strata where there yet stands untransmuted discordant creations of theirs and transmute it by the VIOLET FIRE. Thus the period of adjustment preceding those to be given their freedom takes months and sometimes years.

You, the conscious students, are privileged among all mankind, for you know of and are using the purification of the VIOLET FIRE here and now waiting, until in the freedom of the etheric body, you are sent by the Karmic Board to redeem your imperfections resulting from mis-use of God's Life, intentionally or unintentionally.

It is hoped that with the special dispensations which have been granted from the Great Central Sun, and with the tremendous contribution of voluntary energies released from the members of the human race, that the Halls of Karma will soon be the Portals for *eternal Freedom for every member of mankind*, and that as the very last life stream passes through to 'return no more'. the doors of the Judgment Hall may be closed for eternity and the Great Recording Angels, sealing the door, say with Jesus; IT IS FINISHED, FATHER, INTO THY HANDS WE COMMIT OUR EVOLUTION, THEIR PURPOSE ON EARTH HAVING BEEN FILLED!

## THE SLEEPERS REALM

Individuals who do not believe in an existence after death; those who are very tired or sluggish minded and prefer to pass into annihilation; those people who go out exhausted, in great shock, or pass out through a violent death as well as many who go out in war conditions, enter this REALM OF THE SLEEPERS for a period of rest.

In this Realm of the Sleepers, each one has a lovely couch with beautiful flame-flowers that never wilt surrounding them and blankets of roses, gardenias and other flowers cover the sleeping forms. An Angel Deva watches over them with great tenderness and solicitude, pouring their sweet ointment upon their etheric bodies, and when they awaken, they are given the vacation with loved ones spoken of before. Then, in due time, the Karmic Messenger arrives with the summons to appear before the Karmic Board.

Until very recently, in the lower Sleepers' Realm were those who were seeking escape and there was a resistance to any endeavor to awaken them, they had willed themselves asleep and willed not to awaken! This greatly retarded their progress, because they could not answer the summons of the Karmic Board, receive their judgment, expiate their karma and embody again on Earth, and thus denied themselves opportunity to progress up the ladder of evolution. However, in 1954 the Sleepers' Realm was cleared of those who had been there for centuries by the tremendous calls of the unascended students of El Morya and Saint Germain, and now those who enter this Realm for rest, remain therein for a period of only six months!

## THE EARTH - BOUND SOULS

There are lifestreams who were, and still are, 'Earthbound'. You have heard about them in occult literature. They are individuals with either a strong love or a strong hate for the things and people of Earth. They fight death and even after passing through it, refuse to accept that they are no longer a part of the physical appearance world. They cling to the things they either loved or hated most, and live upon the vitality and magnetism of the living organisms of embodied mankind, like a vampire activity. Many have been cut free by the calls of the students, and they have been drawn out of the atmosphere of Earth in spite of their own free will.

The reason why some individuals have remained for thousands of years in the astral plane of human creation is that they have refused to answer the call to appear before the Karmic Board; that is a voluntary action, and until they do appear before this Board, *as everyone who passes through so-called death must do*, they do not accept the assignment of the expiation necessary for at least a portion of their destructive karma, and are not willing to go to the sphere in which the Karmic Board feels they are fitted to dwell. Until this is done, **THEY CANNOT HAVE ANOTHER EARTH BODY**, and Freedom comes only through mastering the energy while in an Earth body.

## THE KARMIC MESSENGERS

The Messengers from the Karmic Board are magnificent Beings. They wear deep royal purple robes like those of the Ascended Master Saint Germain, and They have

emblazoned across the breast of Their garments the Scales of Justice in perfect balance. They wear a seven pointed crown and carry with Them scrolls bound in purple ribbon which is the summons of the soul to appear before the Karmic Board. These Messengers meet every soul that passes from the body at some time or other, according to the free will of the individual.

Each scroll is an OPPORTUNITY for some individual to meet the judgment of his own lifestream and be assigned to a period of expiation, and then given an opportunity for understanding the Law of Life. Free Will is the order of the day, and individuals can enter the Temples in these Inner Realms every hour if they so desire, or they can go the minimum of time such as people on Earth can go to church regularly or only on Christmas Eve and Easter. The more they enter into the services there, the quicker will they be free from their destructive karma and be able to go into a higher realm, and thus secure a better Earth Life when they again embody.

### THE INCOMING SOUL

After the lifestream has passed through the Halls of Karma, each soul (or group) is examined and assigned to its particular sphere whose vibratory action is comfortable, the city or country - whatever the lifestream likes best. There the individual abides, participating in some worship, making new associations and affiliations and advancing rapidly or slowly even as mankind do here on Earth. Two souls can be born at the same minute; one accelerated to the

point of Ascension in one embodiment, and the other sometimes retrogressed so that it is less advanced when it passes out than when it came into embodiment.

The time of sojourn in the Inner Realms is determined by many things. The individual makes new friends and gradually the Etheric Body, which is a mirror, and mirrors that which is around it, throws off the appearance of age and takes on the appearance of others who have dwelt longer in that Sphere. Here, as said before, they abide until the Karmic Board summons them again.

When the Karmic Board thinks that a sufficient amount of karma has been dissolved and a sufficient time of rest has been given the soul, and a sufficient amount of nourishment has entered the soul, again comes the Karmic Messenger signifying a new birth is imminent.

Partings are always difficult and the Inner Levels are happy places compared to the usual earth life. Sooner or later, when the Kamic Angel appears, the soul knows it is time for recall and time to go back again into a new Earth life. These Messengers come dressed in the most exquisite light blue, 'Mary Blue', which represents opportunity to reembody.

Early in the year, the Karmic Board begins to choose the lifestreams who are to embody that year. The souls who WANT to embody are given opportunity to come in first; when those who have expiated certain karma and by justice must be allowed opportunity to embody. Then during the month of May, Beloved Mary, the Mother of Jesus, blesses all those to take embodiment at Her Temple of the Sacred Heart.

She assists in building the heart which is the Chalice in which the immortal Three-Fold Flame of God abides, and She uses the very best essence of the physical world to build this Heart.

Thus, THERE IS NO DEATH, but LIFE EVERLASTING but each individual soul must go back to Earth again and again and again until it becomes *master* of its life, of the energy of its thoughts, feelings spoken words and acts.

When every atom of misqualified energy, wherever it may be, has been redeemed and purified and LOVED FREE, then does the individual make the Ascension and goes "HOME" to go out no more. Thus is all fear of the "hereafter" taken from mankind, knowing if they will do the very best they know how and sincerely live by their beliefs, that truly *do all things work together for their ultimate good and happiness!*

Since there are millions who pass through the change called 'death' each year, there are thousands who fit into all these categories of the Inner Spheres. The greatest assistance YOU or anyone can give them is to MAKE THE CALL that they will, within themselves, make the decision to enter the Halls of Karma promptly in dignity, and then through freewill accept the opportunity to expiate their miscreations. If enough calls can be made for this, many wonderful things can be done in creating the necessary Temples and homes in which they can abide while the long course of preparation goes on, to make them ready to enter consciously into and utilize the activity of the Ascension Flame.

## THE BODY ELEMENTAL

Individuals who accept reembodiment as a fact are not fully aware of the process governing the ensouling of a series of bodies with an individual Spirit. No man unascended realizes the tremendous detail and services required to prepare a set of vehicles for a Spirit to use during an Earth journey.

Understanding that there are four bodies (the emotional, mental, etheric and physical) through which the lifestream must function and that these bodies must be fashioned to the minutes details from the *substances of the elements* in which they are to function, man takes for granted that they just appear by magic at the time of birth. The etheric body has required many thousands of years of care to bring it to a point where it is sensitive to the vibrations of a spiritual Nature. The etheric body is not reformed at each embodiment, but rather is revived.

Let us take now the process involved in the preparation of the physical form.

The whole consciousness of the "I AM" Presence never takes embodiment; a spark of It works through a flesh form. The preparation of a new flesh garment always takes place under the direction of the "I AM" Presence of the lifestream, who overshadows the parents during the time of gestation.

There is provided by God a 'Body Elemental' whose province it is to perform the natural body functions and bring the small form to a certain state of development when the person self may take control. This explains why the soul

taking embodiment often does not take full possession of the body until it is fourteen, eighteen and sometimes twenty-one years of age; yet some Spirits take over the body as soon as the reasoning faculties are developed to a point where the lifestream may use the body for good purpose.

In order to provide a physical form in which the Holy Christ Self could function, the Builders of Form provided an Elemental Being from the same Sphere and Ray to which the embodying lifestream belonged. These Elementals had been trained at Inner Levels to draw Universal Light Substance and follow a pattern, working up from a simple design of a flower to where they could be entrusted to build the Temple which would house the Presence of God - the Holy Christ Self and Three-Fold Flame.

Each lifestream was joined to an Elemental before the first embodiment in a solemn ceremony before the Karmic Board, and the Elemental was charged to remain with that lifestream so long as it should inhabit a physical body, and to keep the body in repair and in all ways make it a habitable temple.

At first the creation of the body was a joyous and happy experience. After the God Presence projected the Immortal Three-Fold Flame into the Heart, the Body Elemental drew the necessary elements and recreated almost perfectly the design and pattern of the Holy Christ Self. The flesh forms in those early ages were beautiful beyond words to describe, and truly a Golden Age of Beauty prevailed. The Etheric Body was the pattern which the Elemental used

for it outpictured the full glory of the Holy Christ Self and it was easy for the Body Elemental to reproduce that in the physical form. The Elemental took up abode within the Temple which it had builded, and like a housekeeper or caretaker, maintained the functions which kept the body in workable order (repairing, fueling, etc) and the association between the lifestream and the Elemental was a happy one.

When man began to experiment with the use of energy and to build into his etheric body distortions of form and impurities of essence, the Body Elemental became confused because the pattern was distorted but OBEDIENTLY it built those distortions into the flesh. You will see that after many centuries of endeavoring to reproduce the Holy Christ Self through the substance provided by the lifestream (by its misuse of life) and the tremendous strain of the Elemental in working against the appetites and passions which the individual developed when it fell from Purity and Grace, that the Body elemental soon developed an antipathy for the lifestream it was forced to work with. Thus the body Elemental was no longer a cooperative, loving helper, but blocked the projects and designs of the individual whenever possible.

When the individual comes to a point of endeavoring to abide by the Laws of Purity and abstinence from those activities which break down the structure of the physical form, there is the beginning of a new association and friendship between the individual and the Body Elemental.

This is not done in an instant after centuries of abuse and

careless use of the Temple (body) created and sustained by this Elemental. It must also wait for the pattern, to again produce perfection. When the Violet Fire has been used enough through the etheric body so it resumes its Divine Light Pattern, then the Body Elemental can quickly outpicture this in the flesh.

Remember, the very substance that makes up the etheric form has been used over and over and over in successive embodiments, and this requires purification in order to raise its vibratory action and emit Light. You will see the great necessity for the dynamic use of the Violet Fire in connection with the work being done by the Builders of Form for each soul. When this is understood and conscientiously applied, we shall again have the 'bodies enduring' that are non-recordant to disease, disintegration and finally death itself!

Truly, THERE IS NO DEATH, but only LIFE EVERLASTING! Dear students, as you can accept the ascended Masters and the use of this Violet Fire, assistance such as you have never had before, will be given to you, whether you make the Ascension or come back for a final embodiment.

AN OPPORTUNITY STANDS BEFORE YOU which has not been given to mankind in the outer world in millions of years. That which is being presented for your illumination and freedom now, which may seem mystic, will one day in the very near future be PROVED by men of science and then ALL MANKIND will clamor for the instruction and application that will set them FREE, which you now have the privilege of having presented to you.

The Ascended Masters Who bring this instruction to us

The Ascended Masters Who bring this instruction to us once lived on the Earth even as you and I. They KNOW the Truth presented, for They applied It and graduated into a higher sphere of service. When you become ASCENDED, even as Jesus, you never have to return for reembodiment but are forever free to live in the Realms of Perfection, and lend your Love and energies to the assisting of the rest of mankind into a like perfection. Blessed are you who can be the pioneers to bring Comfort to mankind.

Remember, the greatest assistance you can give is to LIVE THE LAW and expand Love, Purity, Harmony, Kindness, Beauty, Tolerance, Understanding; and to help all mankind to Know God's Will for them is only GOOD.

In class activity the following decrees may be used with the appropriate music.
